**PUBLIC
ADMINISTRATIVE ORDER**

No. 24-AO-0002-P

On January 19, 2024, the court provided notice of the expiration of the term of service for incumbent Chief Magistrate Judge Kelly K.E. Mahoney and solicited comments regarding her reappointment. On March 6, 2024, the court established a merit selection panel and directed such panel to receive and examine comments from members of the bar and the public regarding Judge Mahoney's character, judgment, legal ability, temperament, and commitment to equal justice under the law, and to consider other evidence of these factors when making a recommendation to the court regarding the reappointment or non-reappointment of Judge Mahoney for an additional 8-year term. On May 14, 2024, the merit selection panel provided the court a report that recommended Judge Mahoney be reappointed as a full-time magistrate judge for the Northern District of Iowa. Having reviewed the merit selection panel's report and having considered the Federal Magistrates Act, 28 U.S.C. § 631, and the regulations of the Judicial Conference of the United States that establish standards and procedures for the reappointment of a United States Magistrate Judge, the court hereby reappoints Kelly K.E. Mahoney as full-time United States Magistrate Judge for the Northern District of Iowa with her official duty station at Sioux City, Iowa.

Additionally, Judge Mahoney is specifically designated to try persons accused of, and sentence persons convicted of, minor offenses committed within the Northern District of Iowa.

The Clerk of Court is directed to place a copy of this public administrative order in the public binder and to post it on the court's website. 2. That anyone charged with a violation of any of the scheduled offenses may, within ten (10) days after being so charged, dispose of the matter by sending the appropriate payment to the Clerk of the United States District Court for the Northern District of Iowa at Cedar Rapids, Iowa. Pursuant to Rule 58(d) of the Federal Rules of Criminal Procedure

of the United States District Court for the Northern District of Iowa, that persons arrested and charged with misdemeanor violations of Title 21 and Title 18 of the United States Code, or the Iowa Code by virtue of the Assimilative Crimes Act (Title 18, United States Code, Section 13) listed herein may waive an appearance before a United States Magistrate Judge and dispose of the matter by forfeiting the pre-set collateral as set forth in Exhibit A.

3. That if the scheduled payment is not paid by the person charged with a scheduled offense within ten (10) days, the matter may be set down for hearing before a United States Magistrate Judge for the Northern District of Iowa.

4. If a person charged with an offense under this Order fails to post and forfeit collateral, any punishment, including fine, or probation, may be imposed within the limits established by law upon conviction by plea or after trial.

5. Nothing contained in this Order shall prohibit a law enforcement officer from arresting anyone for the commission of any offense, including those for which collateral may be posted before a United States Magistrate Judge, or upon arrest, taking them immediately before a United States Magistrate Judge. Existence of this Order does not create any rights on the part of an alleged violator and does not preclude the United States from taking any other action authorized by law.

6. That the United States Magistrate Judges, for, or designated to exercise judicial authority in, the Northern District of Iowa, are hereby specifically authorized to try persons accused of the offenses scheduled herein, in accordance

with the rules of procedure for the United States Magistrate Judges adopted by the Supreme Court of the United States.

7. That the Clerk of the United States District Court institute an appropriate collateral forfeiture procedure wherein persons may dispose of the offenses charged by mailing in a sum equivalent to the penalty established in the above Order.

Nothing contained in the above Order shall prevent an officer from requiring a mandatory Court appearance by a person charged with any of the violations scheduled herein when, in the judgment of the officer, the cash payment provided for the violation is inappropriate considering the circumstances surrounding the alleged violations.

**IN THE MATTER OF
APPROVAL OF INCREASED

**PUBLIC
ADMINISTRATIVE ORDER**

**No. 23-AO-0003-P
(Supersedes No. 07-AO-0013-P)**

The maximum per page original transcript fee rates and maximum per page copy transcript fee rates are set by the Judicial Conference of the United States Courts. At its September 2022 session, the Judicial Conference approved an increase to the maximum per page transcript fee rates (see attached chart). As outlined in a memorandum dated November 15, 2022, the Director of the Administrative Office of the United States Courts directs each federal court to adopt a schedule of per page transcript fees, which are subject to the maximum rates established by the Judicial Conference.

The court hereby adopts the maximum per page transcript fee rates as set forth in the attached chart. Such rates apply to all transcript orders received on or after October 1, 2023, which is the date that signifies the beginning of fiscal year 2024 for the United States Courts. All transcript orders received prior to October 1, 2023, or prior to the beginning of the applicable fiscal year, must be billed at rates that do not exceed the rates that are set forth in the attached chart. The increased rates for fiscal year 2024 and fiscal year 2025 apply to publicly funded transcripts as well as privately funded transcripts.

This public administrative order supersedes Public Administrative Order No. 07-AO-0013-P, which is dated November 7, 2007. This public administrative order will take effect on October 1, 2023. The Clerk of Court is directed to place a copy of this public

administrative order in the public binder and post it on the court's website.

IT IS SO ORDERED.

DOCUMENTS AUTOMATICALLY

MOTION BY A PARTY OR AN
ORDER OF THE COURT**

**PUBLIC
ADMINISTRATIVE ORDER**

**No. 23-AO-0002-P
(Supersedes No. 16-AO-0008-P)**

The court's Local Rules provide that "[c]ertain categories of documents, because of their nature, are sealed by the [Electronic Case Filing (ECF)] system without a motion by a party or an order of the court." Local Rule 5(c)(2). Documents that fall within such categories are referred to as "system-sealed" documents. *See id.*

The ECF system automatically seals documents that are listed on the court's website: www.iand.uscourts.gov.¹ *Id.* A party filing a document that is set forth in the court's List of Documents Automatically Sealed by the ECF System need not file a motion for leave to file the document under seal. *Id.* Rather, such "party . . . must file the document under seal directly through the ECF system." *Id.*

A "system-sealed" document is subject to being unsealed in any case as the progression of the case dictates or at the discretion of the presiding judge. Anyone seeking to unseal a "system-sealed" document in a case must file a motion that sets forth with particularity good cause justifying the unsealing of the document. A showing of good cause must include the reason for making public the specific information contained or believed to be contained in the document and a legal basis for unsealing the document. Additionally,

¹ The court's current "system-sealed" documents are contained in a PDF entitled "List of Documents Automatically Sealed by the ECF System", which can be found on the court's website by (1) either typing in the Search Box the title of the PDF and searching or (2) clicking on the E-Filing tab and then the Sealed Events link.

such motion must include a statement regarding the position of each non-moving party. *See* Local Rule 7(k).

This public administrative order supersedes Public Administrative Order No. 16-AO-0008-P, which is dated September 2, 2016. This public administrative order will take effect on July 24, 2023. **IN RE: PRO HAC VICE
ADMISSION FOR CRIMINAL
JUSTICE ACT PANEL
ATTORNEYS**

**PUBLIC
ADMINISTRATIVE ORDER**

No. 22-AO-0005-P

The district's Amended and Substituted Criminal Justice Act Plan (CJA Plan) sets forth objectives, particularizes requirements, and exhaustively details the composition, administration, and management of the panels of private attorneys. Regarding the composition of the district's panels, the CJA Plan, among other things, addresses: the application, selection, and approval processes for attorneys; the need for the panels to provide a sufficient number of experienced attorneys to handle the CJA caseload; the panel eligibility requirements; the continuing legal education requirements; the membership requirements; and the removal from the panel requirements.

Local Rule 83(d)(2) addresses an appearance in a criminal case by an attorney who is not admitted to the bar of this district. Additionally, Local Rule 83(d)(3) and Administrative Order No. 19-AO-0004-P set forth the requirements for pro hac vice admission in a criminal case.

To furnish representation to persons in an expedited manner and in accordance with the district's CJA Plan, an attorney who is a member of a CJA Panel in this district, but is not admitted to the bar of Iowa, need not file a motion to appear pro hac vice under Local Rule 83(d)(2), Local Rule 83(d)(3)(A), and Administrative Order No. 19-AO-0004-P each time the attorney accepts a representation pursuant to the CJA Plan. Such attorney, however, must complete the ECF registration process if he or she has not already done so and file a notice of

appearance in each case in which he or she is appointed that: indicates on whose behalf he or she is appearing, acknowledges his or her status on the district's CJA panel, describes his or her good standing in the bar(s) where he or she is licensed, and cites the instant administrative order. Additionally, an attorney who files appearances while admitted under a "CJA/PHY" designation must pay the district's annual renewal fee by March 1 of each year.

ADMINISTRATIVE ORDER**

**No. 22-AO-0003-P
(Supersedes 16-AO-0006-P)**

For the parties and the Court to be properly prepared for hearings on petitions to revoke probation or supervised release, the defendant must provide notice in advance of the hearing which, if any, of the alleged violations are contested, including not just the current violations but also any prior violations that have not previously been found by the Court at a hearing. The parties and the Court also need some advanced knowledge of witnesses and exhibits.

THEREFORE it is ordered that:

1. At least three court days prior to a scheduled revocation hearing, the defendant must file a notice which states whether each of the alleged violations in the Petition to Revoke will be admitted or contested by reference to the violation number. The defendant must address all violations not previously found by the Court at a hearing, and not just the current violations.
2. Regardless of whether any allegations in the Petition to Revoke will be contested, the parties must exchange a list of witnesses and exhibits, and copies of exhibits, that may be offered at the time of the revocation hearing at least 24 hours prior to the hearing. These lists must be emailed to chambers, as well. The supervising probation officer and the defendant need not be included on the witness lists.
3. If, upon preparation, the parties believe the hearing will take more than 45

minutes to complete, they must notify chambers immediately by email with a copy to opposing counsel or pro se party.

No. 21-AO-0001P

In response to recent disclosures of wide-spread breaches of both private sector and government computer systems, federal courts are immediately implementing new security procedures to protect highly sensitive documents filed with the courts;

The court finds that, pursuant to Federal Rule of Civil Procedure 5(d)(3)(A) and Federal Rule of Criminal Procedure 49(b)(3)(A), good cause exists to require parties to file certain highly sensitive documents outside of the court's electronic filing system.

THEREFORE, IT IS ORDERED that, effective as of the date of this order, the filing of a highly sensitive document is subject to the procedures and requirements set forth below. This Order supersedes any inconsistent provisions in the court's existing local rules or other administrative orders.

1. Documents Subject to this Order

A highly sensitive document (HSD) is generally defined as a document that contains highly sensitive non-public information that is likely to be of interest to malicious actors, including but not necessarily limited to, the intelligence service of a hostile foreign government, because the use or disclosure of such information could readily be used to create a specific, serious risk:

- i. of death or bodily injury to a specific person or a specific group of persons;
- ii. of harm to national security;
- iii. to the integrity of an ongoing law enforcement

- investigation or other ongoing and confidential governmental operation or investigation;
- iv. of exposing the existence of confidential proceedings under the False Claims Act;
- v. to cybersecurity or major infrastructure security; or
- vi. of giving a competitive advantage in favor of one or more foreign competitors of a United States business enterprise.

In the Northern District of Iowa, very few documents filed under seal in criminal cases and civil cases are HSDs. Counsel in criminal cases and civil cases are strongly encouraged to carefully analyze whether a document is a HSD.

The court anticipates that the following types of sealed documents may constitute HSDs:

- i. Applications for search warrants;
- ii. Applications for mobile tracking devices under 18 U.S.C. § 3117;
- iii. Applications for pen registers or trap and trace devices under 18 U.S.C. § 3127(3) & (4);
- iv. Applications for prospective or “real time” cellular site data under 18 U.S.C. § 3121;
- v. Applications for production of stored electronic communications under 18 U.S.C. § 2703;
- vi. Applications for electronic surveillance under 18 U.S.C. § 2518;
- vii. Applications for anticipatory search warrants based on *United States v. Grubbs*, 547 U.S. 90 (2006); and
- viii. Documents filed in relation to such applications.

The following types of sealed documents will almost never constitute HSDs:

- i. Presentence reports, pretrial release reports, and documents related to such reports;
- ii. Pleadings related to cooperation in most criminal cases;
- iii. Sealed indictments, criminal complaints, arrest warrants or petitions for action on conditions of release;
- iv. Grand jury proceedings;
- v. Social Security records;
- vi. Most sealed filings and protective orders in most cases,

- including settlement agreements;
- vii. Proprietary business information not of obvious interest to a specific foreign government or specific foreign business enterprise;
- viii. Medical, mental health or rehabilitation records;
- ix. Attorney discipline proceedings;
- x. Administrative immigration records;
- xi. Juvenile proceedings;
- xii. Documents containing personal or financial information; or
- xiii. Education records.

Any dispute as to whether a document is a HSD will be resolved by the presiding judge or, when no presiding judge is assigned, the chief judge.

2. Filing a Notice to Treat a Document as a HSD

It is the primary responsibility of a filing party to determine if a document constitutes a HSD. The filing procedures set forth below apply to documents that contain highly sensitive information.

- a. A filing party must file electronically a Notice to Treat a Document as a HSD. Without revealing the highly sensitive information contained within the HSD, the filing party's Notice to Treat a Document as a HSD must refer to the criteria set out in Section 1 above and briefly describe the document that constitutes a HSD.
- b. On the same day that the Notice to Treat a Document as a HSD is filed, the filing party must deliver to the clerk's office two paper copies of the HSD and a certificate of service. These documents must be submitted in a sealed envelope marked "HIGHLY SENSITIVE DOCUMENT" and marked with the applicable case name and case number, applicable docket number, and attorney's name, street address, telephone number, and email address. The HSD must be handed directly to a staff member of the clerk's office. If the HSD cannot be submitted in person to a staff member of the clerk's office, please contact the clerk's office to obtain information on how to submit the HSD. If paper copies of the HSD cannot be submitted, please contact the clerk's office to obtain information on how to submit the HSD.
- c. After the filing party delivers the HSD to the clerk's office, the

docket clerk who receives the HSD will make a docket entry in the case indicating the date and time the filing party filed the HSD.

- d. For documents that must be served on opposing parties, the filing party must serve the HSD on the opposing parties as follows:
 - i. Criminal cases – by any manner specified in Federal Rule of Criminal Procedure 49(a)(3)(B) or (a)(4), except for service via the court’s electronic filing system; or
 - ii. Civil cases – by any manner specified in Federal Rule of Civil Procedure 5(b)(2), except for service via the court’s electronic filing system.

After serving the opposing party, the filing party must electronically file a certificate of service.

- e. The clerk’s office will maintain the HSD in a secure paper filing system or a secure standalone computer system that is not connected to any network.
- f. Upon review of the HSD, the court may direct the parties to take additional steps, including but not necessarily limited to filing briefs and/or filing the HSD in the normal course.

3. Filing and Service of Documents and Court Orders Relating to HSDs

If a party objects to the filing of a document as a HSD, such party should alert the court by filing a Notice of Objection Regarding HSD Filing without revealing the nature of the allegedly highly sensitive information that the filing party submitted. Upon receipt of a Notice of Objection Regarding HSD Filing, the court will establish secure filing procedures to resolve the dispute concerning the filing party’s HSD. If the court determines that a court order contains highly sensitive information, the clerk’s office will file and maintain the order in a secure paper filing system or a secure standalone computer system that is not connected to any network, and it will serve paper copies of the order on the parties via mail.

4. Removal of Existing Documents as HSDs or Highly Sensitive Cases from the Court's Electronic Filing System

- a. Upon motion of a party or upon its own motion, the court may determine that a document, case, or any portion of it, that has been filed electronically is highly sensitive. If it makes such a determination, the court may direct that the HSD or case be removed from the court's electronic filing system and maintained by the clerk's office in a secure paper filing system or a secure standalone computer system that is not connected to any network.
- b. A party's motion to remove a HSD or highly sensitive case from the court's electronic filing system must explain why such document or case is highly sensitive under the criteria set out in Section 1. above or why it should otherwise be subject to the heightened protection for HSDs. To the extent a party is concerned about revealing the nature of the highly sensitive information, the party may request that the court establish secure filing procedures to address the party's concerns.

5. Questions about HSD Filing Procedures

Any questions about how HSDs should be filed with the court pursuant to this Order should be directed to Paul De Young at: 319-286-2321 or Paul_DeYoung@iand.uscourts.gov.

IT IS SO ORDERED.

No. 20-AO-0007-P

Due to the continuing public health crisis resulting from the COVID-19 pandemic, the Court finds that it is necessary to extend and modify Public Administrative Order 20-AO-0002-P, issued March 16, 2020, which was extended by Public Administrative Order 20-AO-0005-P, issued April 8, 2020 (collectively, the Prior Orders), as set forth herein:

1. For the reasons set forth in the Prior Orders, all civil and criminal jury trials scheduled to commence on or before May 31, 2020, before any judge in the Northern District of Iowa, are **continued** pending further order of the Court. The Court specifically finds that the ends of justice served by continuing all criminal jury trials outweigh the best interests of the public and any defendant's right to a speedy trial, and the periods of delay occasioned by the continuances implemented by this Administrative Order are therefore excluded under the Speedy Trial Act pursuant to 18 U.S.C. § 3161(h)(7)(A). The failure of a defendant to object to this Administrative Order will be deemed a waiver of any right to later claim the time should not have been excluded under the Speedy Trial Act. Any defendant whose trial was continued by the Prior Orders, and has filed an objection to the Prior Orders, need not file another objection. Any defendant whose trial was continued by the Prior Orders and has not filed an objection to the Prior Orders will be deemed to have waived that objection.

2. The Court is making preparations for the resumption of jury trials beginning June 1, 2020. These preparations include modifications to the jury selection process and other aspects of the trial proceedings that will incorporate social distancing and other

public health precautions. Details will be provided to the parties and counsel in advance of any jury trial that will be conducted under these modified procedures. Should any party desire a continuance of a jury trial scheduled on or after June 1, 2020, due to ongoing public health concerns, the presiding judge will give due consideration to such a request.

3. All grand jury proceedings in the Northern District of Iowa that are scheduled to occur after May 11, 2020, shall proceed as scheduled.

4. Except as modified in this Order, the terms of the Prior Order remain in effect. In addition, Administrative Orders 20-AO-0001-P, 20-AO-0003-P, 20-AO-0004-P and 20-AO-0006-P continue to remain in effect until further notice.

IN THE MATTER OF

**CHANGES TO COURT OPERATIONS
DUE TO CORONAVIRUS DISEASE
(COVID-19)**

**PUBLIC ADMINISTRATIVE
ORDER**

No. 20-AO-0005-P

Due to the continuing public health crisis resulting from the COVID-19 pandemic, the Court finds that it is necessary to extend and modify Public Administrative Order 20-AO-0002-P, issued March 16, 2020 (the Prior Order), as set forth herein:

1. For the reasons set forth in the Prior Order, all civil and criminal jury trials scheduled to commence on or before May 11, 2020, before any judge in the Northern District of Iowa, are **continued** pending further order of the Court. The Court specifically finds that the ends of justice served by continuing all criminal jury trials outweigh the best interests of the public and any defendant's right to a speedy trial, and the periods of delay occasioned by the continuances implemented by this Administrative Order are therefore excluded under the Speedy Trial Act pursuant to 18 U.S.C. § 3161(h)(7)(A). The failure of a defendant to object to this Administrative Order will be deemed a waiver of any right to later claim the time should not have been excluded under the Speedy Trial Act. Any defendant whose trial was continued by the Prior Order and has filed an objection to the Prior Order need not file another objection. Any defendant whose trial was continued by the Prior Order and has not filed an objection to the Prior Order will be deemed to have waived that objection.

2. For the reasons set forth in the Prior Order, all grand jury proceedings in the Northern District of Iowa between the date of this Order and May 11, 2020, are **continued** pending further order of the Court. The 30-day time period for filing an indictment or an information is hereby tolled as to each defendant during the time period

between March 16, 2020, and May 11, 2020, pursuant to 18 U.S.C. §§ 3161(b) and 3161(h)(7)(A). The Court finds that the ends of justice served by taking such action outweigh the best interests of the public and any defendant's right to a speedy trial. Therefore, the time period between March 16, 2020, and May 11, 2020, is excluded under the Speedy Trial Act pursuant to 18 U.S.C. § 3161(h)(7)(A), and will not be considered in determining if an Indictment or Information is filed within the time limits set forth in 18 U.S.C. § 3161(b).

3. Except as modified in this Order, the terms of the Prior Order remain in effect. In addition, Administrative Orders 20-AO-0001-P, 20-AO-0003-P, and 20-AO-0004-P continue to remain in effect until further notice.

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF IOWA**

**IN THE MATTER OF

EMERGENCY CONDITIONS UNDER
THE CARES ACT**

**PUBLIC ADMINISTRATIVE
ORDER (AMENDED)**

No. 20-AO-0004-P

The United States District Court, Northern District of Iowa, continues to evaluate the response to the spread of the COVID-19 virus and recognizes the need to assist in the preservation of public safety and health while effectively administering justice during this period of national emergency. The Judicial Conference of the United States has found under the CARES Act, H.R. 748 (CARES Act), that emergency conditions due to the national emergency declared by the President will materially affect the functioning of the Federal courts generally;

NOW THEREFORE, the Court hereby adopts the following Order:

1. This Court authorizes on its own motion the use of video teleconferencing, or telephone conferencing if video teleconferencing is not reasonably available, in the criminal procedures specifically enumerated in Section 15002(b)(1) of the CARES Act, to wit:

- a. Detention hearings under section 3142 of title 18, United States Code;
- b. Initial appearances under Rule 5 of the Federal Rules of Criminal Procedure;
- c. Preliminary hearings under Rule 5.1 of the Federal Rules of Criminal Procedure;

- d. Waivers of indictment under Rule 7(b) of the Federal Rules of Criminal Procedure;
- e. Arraignments under Rule 10 of the Federal Rules of Criminal Procedure;
- f. Probation and supervised release revocation proceedings under Rule 32.1 of the Federal Rules of Criminal Procedure;
- g. Pretrial release revocation proceedings under section 3148 of title 18, United States Code;
- h. Appearances under Rule 40 of the Federal Rules of Criminal Procedure;
- i. Misdemeanor pleas and sentencings as described in Rule 43(b)(2) of the Federal Rules of Criminal Procedure; and
- j. Proceedings under chapter 403 of title 18, United States Code (commonly known as the “Federal Juvenile Delinquency Act”), except for contested transfer hearings and juvenile delinquency adjudication or trial proceedings.

Video conferencing or telephone conferencing authorized under this paragraph may take place only with the consent of the defendant, or the juvenile, after consultation with counsel. To facilitate the consent of the defendant or the juvenile, the presiding judge in the case may authorize the use of remote means, which includes but is not limited to participation of defense counsel and the defendant or the juvenile in the video conference or telephone conference.

2. At this time, and based on information currently available, the Court is not making the findings described in Section 15002(b)(2) of the CARES Act, as the Court believes that with appropriate precautions (e.g., social distancing), felony plea and sentencing hearings can be conducted in person in this district without seriously jeopardizing public health and safety. However, the Court is sensitive to the concerns some individuals may have about attending court proceedings and is willing to entertain motions to continue

hearings in particular cases. In addition, the Court is continuing to monitor developments closely.

3. Members of the public who wish to listen to any public hearing or court proceeding scheduled for video conferencing or teleconferencing may contact the Clerk's Office to obtain access information. Persons granted remote access to proceedings are reminded of the general prohibition against photographing, recording, and rebroadcasting of court proceedings. Violation of these prohibitions may result in sanctions, including removal of court issued media credentials, restricted entry to future hearings, denial of entry to future hearings, or any other sanctions deemed necessary by the court.

4. This Court recognizes that it is required under Sections 15002(b)(3)(A) and (B) of the CARES Act to review the findings and authorizations made in this Order no later than ninety (90) days after its initial Order or any subsequent renewal.

SO ORDERED this 30th day of March, 2020.

ORDER**

No. 20-AO-0003-P

The United States District Court, Northern District of Iowa, continues to monitor the most current statements from the Centers for Disease Control and Prevention (CDC), as well as all communications from the Administrative Office of the U.S. Courts (AO), and Iowa public health offices, regarding the Coronavirus Disease 2019 (COVID-19).

Effective immediately the public hours for Court operations on regular business days at the Sioux City courthouse and the Cedar Rapids courthouse will be 9:00 a.m. to 4:00 p.m. To the limited extent that in-court proceedings are still taking place, they will be scheduled during those hours. Reducing the hours available for public access to the buildings will allow court staff and security personnel to better handle the additional requirements necessitated by this ongoing event. These reduced hours will remain in place until further notice.

FOR THE NORTHERN DISTRICT OF IOWA**

IN THE MATTER OF

**CHANGES TO COURT OPERATIONS
DUE TO CORONAVIRUS DISEASE
(COVID-19)**

**PUBLIC ADMINISTRATIVE
ORDER**

No. 20-AO-0002-P

The ongoing spread of the coronavirus, and the resulting outbreak of the respiratory disease COVID-19 in Iowa and bordering states, has created an emergency situation. After consulting with representatives of numerous agencies, including but not limited to the Federal Public Defender's Office, the United States Attorney's Office, the United States Probation Office and the United States Marshals Service, the Court finds that certain changes to court operations must be enacted to assist efforts to slow the transmission of the virus. Accordingly,

IT IS ORDERED:

1. All civil and criminal jury trials scheduled to commence on or before April 24, 2020, before any judge in the Northern District of Iowa, are **continued** pending further order of the Court. Because of the Court's inability to safely call and retain an adequate cross-section of jurors, and the impact of public health recommendations on the availability of clients, counsel, and court staff to be present in the courtroom, the Court specifically finds that the ends of justice served by continuing all criminal jury trials outweigh the best interests of the public and any defendant's right to a speedy trial, and the periods of delay occasioned by the continuances implemented by this Administrative Order are therefore excluded under the Speedy Trial Act pursuant to 18 U.S.C. § 3161(h)(7)(A). The failure of a defendant to object to this Administrative Order will be deemed a waiver of any right to later claim the time should not have been excluded under the Speedy Trial Act.

2. Non-jury proceedings, such as bench trials and hearings, shall proceed as scheduled unless continued, on a case-by-case basis, by the presiding judge. However, parties are encouraged to consider participation by telephone or video conferencing when that option is permitted by law and technologically feasible.

3. All grand jury proceedings in the Northern District of Iowa between March 16, 2020, and April 24, 2020, are continued pending further order of the Court. Grand jury proceedings on or after April 28, 2020, remain set as previously scheduled, pending further order of the Court. The 30-day time period for filing an indictment or an information is hereby tolled as to each defendant during the time period between March 16, 2020, and April 28, 2020, pursuant to 18 U.S.C. §§ 3161(b) and 3161(h)(7)(A). For the same reasons discussed above, the Court finds that the ends of justice served by taking such action outweigh the best interests of the public and any defendant's right to a speedy trial. Therefore, the time period between March 16, 2020, and April 28, 2020, is excluded under the Speedy Trial Act pursuant to 18 U.S.C. § 3161(h)(7)(A), and will not be considered in determining if an Indictment or Information is filed within the time limits set forth in 18 U.S.C. § 3161(b).

4. All deadlines established in civil cases shall remain in place, pending any case-specific adjustments to be made on motion from the parties or on the Court's own motion. Parties are encouraged to consider conducting discovery through means that avoid unnecessary travel or personal contact, such as by telephone or video conferencing. Any dispute over whether discovery can be effectively accomplished consistent with applicable public health guidelines may be submitted to the Court by motion, subject to the consultation requirements of N.D. Iowa L.R. 7(k).

5. Except as set forth herein, Court business will proceed as usual to the extent possible consistent with public health guidelines.

6. The Court will vacate, extend, or amend this Order no later than April 24, 2020.

Given current litigation practices in criminal cases within the Northern District of Iowa and the court's expectations in these cases, the court concludes the government need not file a response to a pro se motion in the following situations:

- (1) a defendant in a criminal case files a pro se motion after judgment enters against such defendant;
- (2) a defendant in a criminal case files a pro se motion while being represented by an attorney who has filed an appearance on behalf of such defendant; or
- (3) a person or entity that is not a party to the criminal case files a pro se motion.

Cf. LR 7(e) (addressing requirements that must be met when a party resists a motion). When the court deems it necessary for the government to respond to a matter that is asserted in a pro se motion as set forth in any of those situations, it will enter an order that establishes a briefing schedule for the government.

IN RE: CASE ASSIGNMENTS

**PUBLIC
ADMINISTRATIVE ORDER**

No. 19-AO-0001-P
(Supersedes No. 18-AO-0001-P)

Effective March 1, 2019, cases in the Northern District of Iowa will be assigned as follows:

CIVIL CASES

1. With the exception of cases brought under 28 U.S.C. § 2255, civil case assignments will be randomly drawn from the district as a whole without regard to court divisions.
2. 28 U.S.C. § 2255 cases will be assigned to the sentencing judge who handled the underlying criminal case. If the sentencing judge is not available, the case will be assigned randomly to a district judge as any other civil case.
3. 42 U.S.C. § 1983 cases will be assigned evenly between the active district judges and the magistrate judges.

4. All other civil cases will be assigned evenly between the Cedar Rapids senior district judge, the active district judges, and the magistrate judges.

CRIMINAL CASES

5. Criminal cases arising in the Western Division and in the Central Division will be processed and adjudicated at the Sioux City Courthouse and assigned to the active resident district judge.
6. Criminal Cases arising in the Eastern Division and the Cedar Rapids Division will be processed and adjudicated at the Cedar Rapids Courthouse and assigned to the active resident district judge. However, a sufficient number of those Eastern/Cedar Rapids cases will be assigned to the Sioux City active district judge such that after accounting for travel, the Sioux City active district judge will carry 45% of the total number of criminal cases in the district and the Cedar Rapids active district judge will carry 55% of the criminal cases.
7. In criminal case assignments, each magistrate judge is geographically paired with the district judge at the assigned court point.
8. Supervised release proceedings will generally remain assigned to the sentencing judge. If the sentencing judge is not available, then the proceeding will be reassigned by the Clerk's Office. Supervised release proceedings pending at one court point may be reassigned to the resident district judge at that court point even if that judge was not the sentencing judge, or possibly to a district judge at another court point closer to the defendant's residence.

ADDITIONAL PROVISIONS

9. The Court reserves the right to transfer cases between the judges at any time to equalize case assignments and in the interest of justice.

**PUBLIC ADMINISTRATIVE
ORDER**

No. 18-AO-0008-P

With respect to the admission fees for attorneys and the renewal fee for attorneys who are admitted to practice in a district court, the Judicial Conference of the United States provides the following guidance:

- (a) the original attorney admission fee prescribed in the District Court Miscellaneous Fee Schedule, *see generally* 28 U.S.C. § 1914, does not apply to pro hac vice requests in a district or periodic bar membership renewals in a district;
- (b) a district court may charge a local fee above the original attorney admission fee prescribed in the District Court Miscellaneous Fee Schedule;
- (c) a district court may periodically charge a local fee for an attorney who is a member of the bar in the district;
- (d) a district court may charge a local fee for an attorney who is admitted pro hac vice in the district; and
- (e) local fees collected by a district court may be deposited into a district court's

Library Fund for the benefit of the bench and bar in the administration of justice.

See Guide to Judiciary Policy, Vol. 4, Ch. 6, § 670.

Given its authority to charge local fees, the court directs the clerk of court to collect:

- (a) \$181.00 for original admission of an attorney to practice in this district (original admission fee) (\$181.00 is to be deposited into the United States Treasury), *see* Local Rule 83(c)¹;
- (b) \$25.00 for annual renewal of an attorney's membership in the court's bar (local annual renewal fee) (\$25.00 is to be paid by March 1 of each year, and it is to be deposited into the court's Library Fund), *see* Local Rule 83(c)(4)²;
- (c) \$100.00 for pro hac vice admission of an attorney who is participating in a civil case in this district (local pro hac vice fee) (\$100.00 is to be deposited into the court's Library Fund), *see* Local Rule 83(d).

The local annual renewal fee as set forth above is effective January 1, 2019. The local pro hac vice fee as set forth above is effective as of the date of this public administrative order.

¹ In the year that an attorney becomes a member of the bar in this district, such attorney is only required to pay the original admission fee, that is, no local annual renewal fee as set forth in (b) will be collected by the clerk of court in such year.

² Prior to 2019, the Northern District of Iowa and the Southern District of Iowa collected a biannual fee of \$50.00. Pursuant to Local Rule 83(c)(4), an attorney who is a member of the bar in this district is required to pay a local annual renewal fee of \$25.00 to remain in good standing, and, if such attorney is also a member of the bar in the Southern District of Iowa, he or she is required to pay a separate local annual renewal fee of \$25.00 to remain in good standing.

LR 83 LAWYERS

a. **Roll of Lawyers.** The bar of each court consists of counsel admitted to practice before the court who have taken the oath or affirmation prescribed by the rules in force when they were admitted.

b. **Qualifications for Admission and Practice.**

Admission to the Bar. A lawyer is qualified for admission to the bar of the district if the lawyer is currently in good standing as a lawyer admitted to practice in the state courts of Iowa. A lawyer who is a government lawyer, a Federal Public Defender, or an Assistant Federal Public Defender, and who is permanently stationed in the state of Iowa, may be admitted to the bar of this court if the lawyer is currently a member in good standing of the bar of any United States District Court or the highest court of any state, territory, or insular possession of the United States. Once admitted to the bar of the district, every lawyer, in order to maintain standing to practice in the district, must pay an annual fee per district as further described in (c)(4). A lawyer who fails to comply with the requirements of this subsection may be suspended from practice in the court by the Chief Judge of the district until the requirements are met.

c. **Procedure for Admission and Proof of Qualifications.**

1. **Applications.** An applicant for admission must send to the Clerk of Court a verified petition setting forth the items of information specified on the official form available on the courts' websites. Upon the filing of a petition showing compliance with this rule, and the payment of the prescribed admission fee, the taking of the oath hereinafter prescribed, and the entry of an order of admission by the court, the Clerk of Court will issue to the petitioner a certification of admission to the bar of the district court.
2. **Documents to Accompany the Verified Petition.** Along with the verified petition for admission, the applicant also must deliver to the Clerk of Court the following:
 - A. A completed and signed lawyer registration form for registration in the ECF system (this form is appended to the ECF Procedures manual, and may be found on the courts' websites); and
 - B. Any other documentation required by the court for registration in the ECF system, as described in the ECF Procedures Manual.
3. **Open Court.** With leave of court, lawyers eligible for admission under this rule may be admitted to practice upon motion in open court by any member of the bar of the court to which admission is sought after a satisfactory showing of good moral character of the applicant, taking the oath hereinafter prescribed, and paying to the Clerk of Court the prescribed admission fee.

4. **Fees.** The prescribed admission fee must be paid to the Clerk of Court before admission. In addition, the annual fee must be paid directly to the district or districts in which the lawyer is admitted. A lawyer admitted in both districts is required to pay the annual district fees in each of the districts. Any such fee, and any portion of the pro hac vice fee retained by the district court, will be collected by the Clerk of Court, placed to the credit of a district fund, and administered in such a manner as is consistent with the law and as the court may direct.
5. **Oath of Admission.** I, _____, do solemnly swear or affirm that, an attorney and as a counsel of this court, I will conduct myself uprightly and according to law, and that I will support the Constitution of the United States.

d. Appearance and Withdrawal.

1. **Who May Appear Generally.** Only a member of the bar of the district may appear as a lawyer in the courts of the district, except where pro hac vice appearance is permitted by the court, where a Federal Public Defender or an Assistant Federal Public Defender from another district appears for a defendant or witness in a criminal case, or where a government lawyer appears for the United States.
2. **Appearance in Criminal Case by Lawyer Who Is Not a Member of the Bar of the District.** A lawyer who is not a member of the bar of the district must, before appearing in a criminal case, file a motion to appear pro hac vice on a form available on the courts' websites. This rule in no manner limits the right of a defendant in a pending criminal case to employ and be represented by counsel of the defendant's own selection, provided such counsel is a member in good standing of the bar of a state of the United States or of a United States court and has not been convicted of a felony, suspended, or disbarred, as provided in subsection (f)(5) of this rule. A lawyer appearing pro hac vice in a criminal case is not required to comply with the associate counsel requirements contained in subsection (d)(4) of this rule, and is not required to pay a pro hac vice admission fee. However, a lawyer appearing pro hac vice in a criminal case is required to register in the court's ECF system. (*See* subsection (d)(3)(C) of this rule).
3. **Pro Hac Vice Admission.** A lawyer who is not a member of the bar of the district may be admitted to practice in a particular case pro hac vice by filing a motion asking to be admitted pro hac vice. By asking to be admitted pro hac vice, the lawyer agrees that in connection with the lawyer's pro hac vice representation, the lawyer will submit to and comply with all provisions and requirements of the Iowa Rules of Professional Conduct, or any successor code adopted by the Iowa Supreme Court. Full instructions are available on the courts' websites.
 - A. **Motion.** To be admitted pro hac vice, a lawyer must file a motion to appear pro hac vice on the form available on the courts' websites.

B. Civil Cases. A lawyer who files a motion for admission pro hac vice in a civil case must submit contemporaneously to the Clerk of Court the following:

1. The prescribed pro hac vice admission fee;
2. A completed and signed lawyer registration form for the ECF system (this form is appended to the ECF Procedures Manual and may be found on the courts' websites); and
3. Any other documentation required by the court for registration in the ECF system, as described in the ECF Procedures Manual.

If a lawyer files a motion for admission pro hac vice in a civil case and the motion is granted, and the Clerk of Court does not receive the documentation required for registration in the ECF system within 14 days after the filing of the motion, the court may enter an order revoking the admission pro hac vice.

C. Criminal Cases. A lawyer who files a motion for admission pro hac vice in a criminal case must submit contemporaneously to the Clerk of Court the following:

1. A completed and signed lawyer registration form for the ECF system (this form is appended to the ECF Procedures Manual and may be found on the courts' websites); and
2. Any other documentation required by the court for registration in the ECF system, as described in the ECF Procedures Manual.

If a lawyer files a motion for admission pro hac vice in a criminal case and the motion is granted, and the Clerk of Court does not receive the documentation required for registration in the ECF system within 14 days after the filing of the motion, the court may enter an order revoking the admission pro hac vice.

4. **Associate Counsel Requirement.** Except parties proceeding pro se or lawyers appearing in criminal cases and complying with the requirements of subsection (d)(2) of this rule, any lawyer who is not qualified to practice under section (b) of this rule must, in each proceeding in which the lawyer appears, associate with counsel who is so qualified. The qualified associate counsel must enter a written appearance with his or her name, law firm, office address, telephone number, facsimile number, and e-mail address, which will be entered of record. Thereafter, all materials required to be served upon the nonqualified lawyer also must be served upon the qualified associate counsel.

A lawyer not qualified to practice under section (b) or subsection (d)(2) of this rule must not file any document unless, at the time of the filing, qualified associate counsel has entered a written appearance on behalf of the party represented by the nonqualified lawyer and has signed the document.

5. Form of Appearance. Any lawyer representing a party in any action or proceeding who did not sign the first pleading filed on behalf of the party must file with the Clerk of Court a separate “notice of appearance.” The notice must clearly reflect the lawyer’s name, law firm, office address, telephone number, facsimile number, e-mail address, and the name of the party for whom appearance is made. If more than one lawyer has appeared on behalf of a party, the notice must identify the lead counsel. Lawyers who have appeared are responsible for informing the court of any changes in this information with respect to all cases in which they have appeared.

6. Withdrawal Procedure. A lawyer who has appeared of record in a case and desires to withdraw from representation of a party is not relieved of his or her duties to the court, to the client, or to opposing counsel until one of the following is satisfied: (A) another lawyer has appeared of record for the client, and the withdrawing lawyer has filed a notice of withdrawal with the Clerk of Court and has served the notice on opposing counsel and the client; or (B) the withdrawing lawyer has filed a motion to withdraw with the Clerk of Court, has served the motion on opposing counsel and the client, and has received leave of court to withdraw for good cause shown.

A motion to withdraw must indicate the trial date and must contain a list of all pending motions and the dates on which they were filed.

e. Courtroom Decorum. Counsel in the courtroom must conduct themselves with dignity and propriety. Unless excused by the court, counsel must stand when addressing the court or the jury. Examination of witnesses must be conducted from counsel table or a lectern, except when it is necessary to approach a witness, court clerk, or exhibit table for the purpose of presenting or examining exhibits. Counsel must not approach a witness or the bench unless the court requests or counsel obtains permission from the court.

f. Rules of Conduct and Disciplinary Procedures.

- 1. Applicability of Iowa Rules of Professional Conduct.** The Iowa Rules of Professional Conduct, or any successor code adopted by the Iowa Supreme Court, govern all members of the bar of this court and, to the extent provided in subsection (d)(3) of this rule, those admitted pro hac vice. A violation of the standards established in those rules of conduct is “misconduct” for purposes of this section.
- 2. Lawyer Discipline.** Any member of the bar of this court and any lawyer admitted pro hac vice may, for good cause shown after an opportunity to be heard in accordance with the disciplinary procedures prescribed in this subsection, be disbarred in this court, suspended from practice before this court for a definite or

indefinite time, reprimanded, or subjected to such other discipline as the court may deem proper. These procedures apply only to proceedings that have as their primary purpose the discipline of a lawyer for misconduct, and do not limit the court's authority to order sanctions or other remedies as permitted by law.

3. **Disciplinary Proceedings.** When a member of the bar of this court or a lawyer admitted pro hac vice allegedly engages in misconduct and the alleged misconduct comes to the attention of the court, the court may initiate informal or formal disciplinary proceedings against the lawyer (the "respondent lawyer") under this subsection.

- A. **Payment of Expenses.** Any expenses incurred in the furtherance of either formal or informal disciplinary proceedings shall be paid from the Attorney Admission Fee Fund.

- B. **Informal Disciplinary Proceedings.** A federal judge may initiate and conduct informal disciplinary proceedings in any appropriate manner, including by the entry of orders (including show cause orders), the conducting of hearings, and the imposition of sanctions. A lawyer will not be suspended or disbarred from practice before this court as a result of informal disciplinary proceedings.

- C. **Formal Disciplinary Proceedings.** A federal judge may initiate formal disciplinary proceedings by asking the Chief Judge of the district where allegations of misconduct arise to order the appointment of a special counsel to investigate and report to the Chief Judge on the allegations. The Chief Judge may appoint a special counsel, or may, in his or her discretion, defer formal disciplinary proceedings pending the results of disciplinary proceedings in a state or another federal jurisdiction. In an order appointing a special counsel under this subsection, the Chief Judge may specify any special authority the special counsel is authorized to exercise in the conduct of the investigation, such as, for example, the power to issue subpoenas for depositions and documents and the power to require a respondent lawyer to respond to written interrogatories.

1. **Investigation and Report.** The special counsel is to investigate the allegations and make a written report to the Chief Judge which includes the following: (a) a history and factual background of the allegations; (b) a recommendation as to whether there is or is not probable cause to support the allegations; and (c) the reasons for the recommendation. The special counsel also may make recommendations concerning the disposition of the allegations.

2. **Determination by Chief Judge.** After reviewing the report of the special counsel, the Chief Judge will determine whether formal

disciplinary proceedings should or should not be continued against the respondent lawyer. If the Chief Judge determines formal disciplinary proceedings should not be continued, and the respondent lawyer has been given notice of the referral of the allegations of misconduct to a special counsel, then the respondent lawyer will be notified by the Clerk of Court that formal proceedings will not be continued. If the Chief Judge determines formal disciplinary proceedings should be continued, the Chief Judge will issue a show cause order notifying the respondent lawyer of the misconduct alleged and the probable cause finding of the special counsel and directing the respondent lawyer to show cause within 30 days why the respondent lawyer should not be disciplined.

3. **Service.** The Clerk of Court will have the show cause order served on the respondent lawyer by personal service or by registered or certified mail sent to the respondent lawyer's last known address according to the Clerk of Court's records.
4. **Default.** If the respondent lawyer fails to respond within the time required, the Chief Judge may order any proper discipline.
5. **Proceedings after Answer.** If the respondent lawyer files an answer to the show cause order, and (a) raises an issue of fact, or (b) includes in the answer a request to be heard, the Chief Judge will set the matter for prompt hearing before a panel of three federal judges appointed by the Chief Judge. The panel will not include any judge before whom the alleged misconduct occurred.

The panel will prescribe such procedures as are necessary to hear and decide the issues raised in the show cause order or answer. The panel will issue a final order. If the final order contains a finding of misconduct, the order will provide for any discipline to be imposed on the respondent lawyer.

6. **Delegation by Chief Judge.** In any disciplinary proceeding brought under section (f) of this rule, including a formal disciplinary proceeding initiated by the Chief Judge under subsection (f)(3)(C) of this rule, the Chief Judge may delegate any function assigned to the Chief Judge under these rules to another district court judge.
4. **Sealing of Documents.** A final order entered in a formal disciplinary proceeding that contains a finding of misconduct will be filed in the public record unless the members of the panel unanimously order that it be filed under seal. Any other

document filed in connection with a formal disciplinary proceeding must be filed under seal, and will remain sealed until such time as an order unsealing the document is entered by one of the judges on the panel.

- 5. Felony Conviction; Suspension or Disbarment in Another Court.** If a member of the bar of this court or a lawyer admitted to practice pro hac vice is convicted of a felony or is suspended or disbarred from practicing in any federal or state court, the lawyer must notify the Clerk of Court immediately of the conviction, suspension, or disbarment. Thereafter, the lawyer will be suspended or disbarred from practice before this court unless the lawyer, with 14 days after the Clerk of Court has mailed notice to the lawyer's last known mailing address, shows good cause why such action should not be taken.

Any person who, before admission to the bar of this court or during disbarment or suspension from practice in any federal or state court, and without specific leave of this court, exercises any of the privileges of a member of the bar of this court in any action or proceeding pending in the Northern or Southern Districts of Iowa, or pretends to be entitled to do so, is guilty of contempt of court and is thereby subject to appropriate punishment.

The procedures provided in subsection (f)(3) of this rule do not apply to matters arising under this subsection.

- g. Dereliction of Counsel.** When a case has been dismissed because of inexcusable neglect or other dereliction of counsel, the court may impose such sanctions upon counsel as the court deems appropriate, including those provided in section (f) of this rule.

- h. Law Student Practice.** With permission of the presiding judge, and under such restrictions as the presiding judge may impose, a law student enrolled in a reputable law school as defined in Iowa Supreme Court Rule 31.8 and Iowa Code § 602.10102 may appear as counsel before the court under the following conditions:

- 1. Certification.** The dean of the law school must certify to the court that the student has completed at least three semesters of the work required by the school to qualify for a J.D. or an equivalent degree;
- 2. Supervision.** The student's appearance must be under the direct supervision of a lawyer admitted to practice before this court who is personally present and has appeared of record in the case; and
- 3. Compensation.** The student must not receive compensation for a court appearance, but this prohibition does not prevent a student from receiving general compensation from an employer-lawyer or from a source of funds unrelated to the case or the parties. Nothing in this rule prevents the court from awarding reasonable attorney fees under an appropriate statute for a student's work as long as the student does not receive any of the fee.

7. Criminal Cases arising in the Eastern Division, Cedar Rapids Division and Winnebago, Hancock, Wright, Hamilton, Worth, Cerro Gordo, Franklin and Butler counties in the Central Division will be processed and adjudicated at the Cedar Rapids Courthouse and assigned to the Cedar Rapids senior district judge. However, a sufficient number of those cases will be assigned to the Sioux City active district judge such that, after excluding criminal cases that are assigned to the Sioux City senior district judge, the Sioux City active district judge will carry 50% of the total number of criminal cases in the district and the Cedar Rapids senior district judge will carry 50% of the criminal cases in the district.

8. In criminal case assignments, each resident magistrate judge is paired with the resident district judge at the same court point.

9. Supervised release proceedings will generally remain assigned to the sentencing judge. If the sentencing judge is not available then the proceeding will be reassigned by the Clerk's Office. Furthermore, 75% of supervised release proceedings arising from sentencing proceedings by the Sioux City senior district judge will be reassigned to the Sioux City active district judge. Supervised release proceedings pending at one court point may be reassigned to a resident district judge at that court point even if that judge was not the sentencing judge, or possibly to a district judge at another court point closer to the defendant's residence.

ADDITIONAL PROVISIONS

10. The Clerk of Court will create a statistical report of civil case filings and assignments and criminal case filings, defendant count, and assignments on January 1,

April 1, July 1 and October 1 of each year. The report will be promptly sent to each active district judge and senior district judge, along with a recommendation for addressing uneven case distributions. Among other things, the Clerk's recommendations shall address any significant disparities between the number of defendants in criminal cases assigned to the Sioux City active district judge and the number of defendants in criminal cases assigned to the Cedar Rapids senior district judge. The Chief District Judge will instruct the Clerk if any action is to be taken to equalize the case assignments based on the report.

11. The Court reserves the right to transfer cases between the judges at any time to equalize case assignments and in the interest of justice.

12. This Order supersedes Administrative Order 17-AO-0007-P.

IT IS SO ORDERED this 10 day of January, 2018.

FOR THE NORTHERN DISTRICT OF IOWA**

**IN RE DIRECT ASSIGNMENT OF
CIVIL CASES TO FULL-TIME
UNITED STATES MAGISTRATE
JUDGES**

**PUBLIC
ADMINISTRATIVE ORDER
No. 17-AO-0015-P**

INTRODUCTION

The United States District Court for the Northern District of Iowa institutes this Direct Assignment Program (the "Program") for the direct assignment of civil cases to the full-time Magistrate Judges to conduct any and all proceedings in jury and non-jury civil actions and order the entry of judgment under 28 U.S.C. § 636(c). The Magistrate Judges have further been designated, in accordance with 28 U.S.C. § 636(c), to enter final judgment in consent cases. The Magistrate Judges of this district may only exercise these powers upon consent of all parties. In such consent cases, an appeal from a judgment entered by a Magistrate Judge of this District may be taken directly to the United States Court of Appeals for the Eighth Circuit in the same manner as an appeal from any other judgment of a district court.

GENERAL OBJECTIVE

The objective of the Program is to maximize judicial resources within the Northern District of Iowa by recognizing the full extent of Magistrate Judge jurisdiction under 28 U.S.C. § 636 in civil cases to "secure the just, speedy, and inexpensive determination of every action and proceeding" consistent with Rule 1 of the Federal Rules of Civil Procedure. Because District Judges are responsible for presiding over felony criminal

matters, the trial dockets of Magistrate Judges are generally less crowded. Thus, Magistrate Judges may be able to provide earlier and more firm trial dates resulting in the efficient use of resources for both litigants and the judiciary. The Program also recognizes the high quality of the Magistrate Judges chosen to serve in the Northern District of Iowa, as reflected by their appointment following a highly competitive and thorough merit selection process. For all cases assigned to a District Judge, a Magistrate Judge will be randomly assigned to hear matters referred by the assigned District Judge pursuant to 28 U.S.C. § 636(b), Federal Rule of Civil Procedure 72, and the Local Rules.

ASSIGNMENT OF CIVIL CASES

Effective January 1, 2018, both full-time Magistrate Judges will be included in the random assignment of civil cases as approved by the Court in a public administrative order. The specific percentage of cases referred will be set by the District Judges and may be changed from time to time at their discretion.

The Clerk of Court will use the same method of randomly selecting civil cases for referral to the Magistrate Judges as is used for District Judges. Cases will be referred to Magistrate Judges randomly, with the total number referred not exceeding the percentage established by the District Judges.

A. Notice of Assignment

When a case is referred to a Magistrate Judge pursuant to this Public Administrative Order, the Clerk of Court will notify all parties who have appeared by sending a Notice of Assignment to Magistrate Judge. The case cannot remain as a Magistrate Judge consent case, however, unless all parties unanimously consent. If all parties consent to keeping the assigned Magistrate Judge, then they must execute and file a joint notice of consent (a form for which is located on the Court's website) either prior to or in conjunction with the proposed scheduling order and discovery plan, or within two weeks of the filing of a dispositive motion, whichever is earlier.

B. Right to Reassignment to a District Judge

Each party has the absolute right to refuse consent to proceed before a Magistrate Judge. There are two procedures through which a referred case may be reassigned to a District Judge.

1. Upon Request

A party to a referred case may obtain random reassignment to a District Judge by contacting the Clerk of Court and making such a request prior to the deadline for submitting a proposed scheduling order and discovery plan with the Court. The Clerk of Court will keep such requests confidential, and the identity of any party seeking reassignment will not be revealed to either the District Judge or the Magistrate Judge.

2. Lack of Unanimous Consent

Reassignment to a District Judge will occur automatically if the parties do not execute and file a joint consent form, demonstrating their unanimous consent to proceed before a Magistrate Judge, by the applicable deadline for filing the consent set forth in Section A above (the earlier of the filing the proposed scheduling order and discovery plan, or within two weeks of the filing of a dispositive motion).

C. Additional Parties

If the existing parties consent to the Magistrate Judge but additional parties are later added to this suit, the Clerk of Court will deliver the Notice to the additional parties. An additional party will have twenty-one (21) days after its deadline for filing a responsive pleading to file a written consent to proceed with the Magistrate Judge. If any additional party fails to file a written consent within that deadline, or contacts the Clerk of Court before the expiration of that deadline to request reassignment to a District Judge, then this case will be randomly reassigned to a District Judge.

D. Procedures for Reassignment

If the case is randomly reassigned to a District Judge, the parties will not have the opportunity to learn which District Judge the case will be assigned to prior to the

reassignment. If the case is reassigned to a District Judge and the parties later decide to consent unanimously to proceed before a Magistrate Judge, they must obtain leave of court to do so. Such leave may or may not be granted at the sole discretion of the District Judge. If leave is granted, the case will be randomly reassigned to a Magistrate Judge meaning it may or may not be reassigned to the same Magistrate Judge.

E. Duty to Provide Notice

Pursuant to Federal Rules of Civil Procedure 4 and 5, the plaintiff (or if the case is removed to federal court, the removing party) must serve a copy of the Notice immediately upon all other parties that have been served with the summons and complaint.

IT IS SO ORDERED this 18th day of December, 2017.

INVESTMENT AND
DISBURSEMENT OF
REGISTRY FUNDS**

**PUBLIC
ADMINISTRATIVE ORDER**

**No. 17-AO-0013-P
(Supersedes No. 16-AO-0011-P)**

The Court, having determined under Local Rule 67 that it is necessary to adopt local procedures to ensure uniform administration of the Court's registry, hereby orders that the following procedures shall govern the receipt, deposit, investment, tax administration, and subsequent disbursement of registry funds:

I. Receipt of Funds

- a. No money shall be sent to the Court or its officers for deposit into the Court's registry without a court order signed by the presiding judge in the case or proceeding.
- b. The party making the deposit or transferring funds to the Court's registry shall provide a copy of the order permitting the deposit or transfer to the Clerk of Court.
- c. Unless otherwise specifically provided for in the court order, all monies ordered to be paid to the Court or received by its officers in any case shall be deposited with the Treasurer of the United States in the name and to the credit of this Court pursuant to 28 U.S.C. § 2041 through depositories designated by the Treasury to accept such deposits on its behalf.

II. Investment of Registry Funds

- a. Where, by order of the Court, funds on deposit with the Court are to be placed in some form of interest-bearing account or invested in a court-approved, interest-bearing instrument in accordance with Rule 67 of the Federal Rules of Civil Procedure, the Court Registry Investment System (CRIS), administered by the Administrative Office of the United States Courts under 28 U.S.C. § 2045, shall be the authorized investment mechanism.
- b. Interpleader funds deposited under 28 U.S.C. § 1335 meet the IRS definition of a Disputed Ownership Fund (DOF), a taxable entity that requires tax administration. Unless otherwise specifically ordered by the Court, interpleader funds shall be deposited in the DOF established within the CRIS and administered by the Administrative Office of the United States Courts, whom shall be responsible for meeting all DOF tax administration requirements.
- c. The Director of the Administrative Office of the United States Courts is designated as custodian for all CRIS funds. The Director or the Director's designee shall perform the duties of the custodian. Funds held in the CRIS remain subject to the control and jurisdiction of the Court.
- d. Money from each case deposited in the CRIS shall be pooled together with those on deposit with Treasury to the credit of other courts in the CRIS and used to purchase government account series securities through the Bureau of Public Debt, which will be held at Treasury, in an account in the name and to the credit of the Director of the Administrative Office of the United States Courts. The pooled funds will be invested in accordance with the principles of the CRIS investment policy as approved by the Registry Monitoring Group.

- e. An account will be established in the CRIS liquidity fund titled in the name of the case giving rise to the deposit invested in the fund. Income generated from fund investments will be distributed to each case based on the ratio each account's principal and interest earnings has to the aggregate principal and income total in the fund after the CRIS fee has been applied. Reports showing the interest earned and the principal amounts contributed in each case will be prepared and distributed to each court participating in the CRIS and made available to litigants and/or their counsel.
- f. For each interpleader case, an account shall be established in the CRIS Disputed Ownership Fund, titled in the name of the case giving rise to the deposit invested in the fund. Income generated from fund investments will be distributed to each case after the DOF fee has been applied and tax withholdings have been deducted from the fund. Reports showing the interest earned and the principal amounts contributed in each case will be available through the FedInvest application for each court participating in the CRIS and made available to litigants and/or their counsel. On appointment of an administrator authorized to incur expenses on behalf of the DOF in a case, the case DOF funds will be transferred to another investment account as directed by court order.

III. Fees and Taxes

- a. The custodian is authorized and directed by this administrative order to deduct the CRIS fee of an annualized 10 basis points on assets for all CRIS funds, excluding the case funds held in the DOF, for the management of CRIS investments. According to the Court's miscellaneous fee schedule, the CRIS fee is assessed from interest earnings to the pool before a pro rata distribution of earnings is made to court cases.

- b. The custodian is authorized and directed by this order to deduct the DOF fee of an annualized 20 basis points on assets for management of DOF investments and tax administration. According to the Court's miscellaneous fee schedule, the DOF fee is assessed from interest earnings to the pool before a pro rata distribution of earnings is made to court cases. The custodian is further authorized and directed by this order to withhold and pay federal taxes dues on behalf of the DOF.

IV. Disbursement of Registry Funds

- a. To withdraw money deposited in the CRIS a party must file a motion for withdrawal of the funds, which includes addressing the disposition of interest earnings. To protect the personal identifiers contained therein, the party must simultaneously email the Clerk of Court the name, address and social security number (or employer identification number) as well as a completed IRS form W-9, for each recipient for the purpose of issuing a 1099-INT.
- b. No money will be disbursed from the Court's registry without order of the court.

This order supersedes 16-AO-0011-P and abrogates all prior orders of this Court regarding the deposit and investment of registry funds.

IT IS SO ORDERED.

IN RE: CASE ASSIGNMENTS
FOR DISTRICT COURT JUDGES

**PUBLIC
ADMINISTRATIVE ORDER**

No. 17-AO-0007-P
(Supercedes No. 16-AO-0002 P)

Effective this 1st day of June, 2017, cases in the Northern District of Iowa will be assigned as follows:

CIVIL CASES

1. With the exception of cases brought under 28 U.S.C. § 2255, in civil cases the active district judge, senior judge, and magistrate judge case assignments will be randomly drawn from the district as a whole without regard to court divisions.

2. 28 U.S.C. § 2255 cases will be assigned to the sentencing judge who handled the underlying criminal case. If the sentencing judge is not available, the case will be randomly assigned as any other civil case.

3. 42 U.S.C. § 1983 cases will be assigned in the following manner: the Sioux City senior resident district judge 20%, each active resident district judge 40%.

4. Social Security cases will be assigned evenly between the active district judges.

5. All other civil cases will be assigned in the following manner: the Sioux City senior judge 20% and each active judge 40%.

CRIMINAL CASES

6. Criminal cases arising in the Western Division and in Emmet, Palo Alto, Pocahontas, Calhoun, Carroll, Kossuth, Humboldt and Webster counties in the Central Division will be processed and adjudicated at the Sioux City Courthouse and assigned to the resident district judges in the following manner: active resident district judge 75% and senior resident district judge 25%.

7. Criminal Cases arising in the Eastern Division, Cedar Rapids Division and Winnebago, Hancock, Wright, Hamilton, Worth, Cerro Gordo, Franklin and Butler Counties in the Central Division will be processed and adjudicated at the Cedar Rapids Courthouse and assigned to the active resident district judge. However, a sufficient number of those cases will be assigned to the Sioux City active resident district judge such that, after excluding criminal cases that are assigned to a senior district judge, the Sioux City active resident district judge will carry 45% of the total number of criminal cases and the Cedar Rapids active resident district judge will carry 55% of the criminal cases.

8. In criminal case assignments, each resident magistrate judge is paired with the resident district judge at the same court point.

9. Supervised release proceedings will generally remain assigned to the sentencing judge. If the sentencing judge is not available then the proceeding will be reassigned by the Clerk's Office. Furthermore, 75% of supervised release proceedings arising from sentencing proceedings by the Sioux City senior judge will be reassigned to the Sioux City district judge. Supervised release proceedings pending at one court point may be reassigned to the resident district judge at that court point even if that judge was not the sentencing judge, or possibly to a district judge at another court point closer to the defendant's residence.

ADDITIONAL PROVISIONS

10. The Clerk of Court will create a statistical report of civil case filings and assignments and criminal case filings, defendant count, and assignments on January 1, April 1, July 1 and October 1 of each year. The report will be promptly sent to each active district judge and senior district judge, along with a recommendation for addressing uneven case distributions. Among other things, the Clerk's recommendations shall address any significant disparities between the number of defendants in criminal cases assigned to the Sioux City active resident district judge and the number of defendants in criminal cases assigned to the Cedar Rapids active resident district judge. The Chief Judge will instruct the Clerk if any action is to be taken to equalize the case assignments based on the report.

11. The Court reserves the right to transfer cases between the judges at any time to equalize case assignments and in the interest of justice.

12. This Order supercedes Administrative Order 16-AO-0002-P.

No. 17-AO-0006-P

For the effective and efficient administration of justice in the Northern District of Iowa, the Court hereby adopts the attached Instructions and Worksheet for Preparation of Trial Schedule and Discovery Plan, with Proposed Order, effective May 1, 2017, for civil cases filed in this district.

IT IS SO ORDERED.

DATED this 24th day of April, 2017.

**LEONARD T. STRAND, CHIEF JUDGE
UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF IOWA**

**UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF IOWA**

**INSTRUCTIONS AND WORKSHEET FOR PREPARATION OF
TRIAL SCHEDULE AND DISCOVERY PLAN**

Effective May 23, 2017

Counsel for the parties shall confer, as required by Federal Rules of Civil Procedure 16 and 26 and Local Rules 16 and 26, and submit to the Clerk of Court on the attached form a stipulated proposed scheduling and discovery plan. **Follow this worksheet during your Rule 16(b) and 26(f) conference. The deadlines referred to in the worksheet are suggested deadlines except for the dispositive motion deadline, which MUST be at least 150 days before the trial ready date, which must be within 18 months of the filing of the complaint or notice of removal. Submit only the attached two-page proposed scheduling and discovery plan to the Clerk of Court. DO NOT FILE EITHER THE WORKSHEET OR THE PROPOSED SCHEDULING AND DISCOVERY PLAN.**

Please carefully review the Local Rules for a more complete description of the District's requirements for pretrial case management (*available at www.iana.uscourts.gov*). After the Court receives the parties' proposed scheduling and discovery plan, it will schedule a Rule 16(b) and 26(f) conference call with the parties to discuss the proposed schedule and plan, along with other pretrial issues.

1. INITIAL DISCLOSURES AND ELECTRONICALLY STORED INFORMATION:

State whether the parties (a) entered into an agreement during the Rule 26(f) conference resolving all issues relating to the Federal Rule of Civil Procedure 26(a)(1) initial disclosures in this action, and (b) discussed the preservation, disclosure, and discovery of electronically stored information: ____ yes ____ no

If any party objects either to making the initial disclosures or to the timing of the initial disclosures, then **within 14 days after the scheduling and discovery plan is submitted**, the objecting party must serve and file a document in which the objections are set forth with particularity.

If the parties have entered into an agreement concerning the timing of the initial disclosures, state the date by which the initial disclosures will be made: _____
(insert date)

Unless a different deadline is set by agreement of the parties or court order, or unless a party objects to making the initial disclosures or to the timing of the initial disclosures, Local Rule 26(a) requires that the initial disclosures be made **within 14 days after the parties' Rule 26(f) conference**.

Federal Rule of Civil Procedure 26(a)(1) describes the information the parties must, without awaiting a discovery request, provide to other parties. Parties are required to comply fully with Rule 26(a)(1).

If the parties have any other disputes concerning initial disclosures or the preservation, disclosure, or discovery of electronically stored information, or are aware of any other issues relating to scheduling or planning that might benefit from the early intervention of the court, the parties should raise the dispute with the Magistrate Judge during the pretrial discovery and planning conference.

2. ADDING PARTIES:

State the deadline for filing motions to add parties: _____
(insert date)

This deadline should be **no more than 2 months after the date the proposed scheduling and discovery plan is submitted to the Clerk of Court.**

3. AMENDING PLEADINGS:

State the deadline for filing motions to amend pleadings: _____
(insert date)

This deadline should be **no more than 2 months after the date the proposed scheduling and discovery plan is submitted to the Clerk of Court.**

4. EXPERT WITNESSES:

State the deadlines for the parties to disclose, in accordance with Federal Rule of Civil Procedure 26(a)(2)(A), (B), and (C), all “expert witnesses” who may be used at trial to present evidence under Federal Rules of Evidence 702, 703, or 705:

Plaintiff’s experts: _____
(insert date)

Defendant’s experts: _____
(insert date)

Plaintiff’s rebuttal experts: _____
(insert date)

The deadlines for the plaintiff to disclose experts, for the defendant to disclose experts, and for the plaintiff to disclose rebuttal experts should be **no more than 3 months, 5 months, and 6 months**, respectively, after the date the proposed scheduling and discovery plan is submitted to the Clerk of Court. Except as otherwise stipulated by the parties or ordered by the court, the parties must, by these deadlines, provide full disclosure of expert information as required by Federal Rule of Civil Procedure 26(a)(2).

5. DISCOVERY:

State the date by which all discovery will be *completed*, not propounded: _____
(insert date)

Note that this is the date for completion of discovery, not the date when discovery is to be propounded. This deadline should be **no more than 8 months after the date the proposed scheduling and discovery plan is submitted to the Clerk of Court**. Federal Rule of Civil Procedure 26(e) imposes a continuing duty to supplement discovery responses as soon as practicable. **All discovery responses must be supplemented at least 30 days before the close of discovery.**

6. DISPOSITIVE MOTIONS:

State the deadline for filing dispositive motions: _____
(insert date)

This deadline **must be at least 150 days before the trial ready date**, but should be **no more than 9 months after the date the proposed scheduling and discovery plan is submitted to the Clerk of Court**.

7. TRIAL READY DATE:

State the date on which the parties anticipate the case will be ready for trial: _____
(insert date)

This deadline should be **no more than 14 months after the date the proposed scheduling and discovery plan is submitted to the court**, but **must not be less than 150 days after the dispositive motion deadline and not more than 18 months after the filing of the complaint or notice of removal**.

8. JURY DEMAND:

State whether a jury demand has been filed: _____ yes _____ no

9. ESTIMATED LENGTH OF TRIAL:

State your estimate of the number of days required for trial: _____
(insert number of trial days)

For jury trials, include in your estimate the time required for jury selection, opening statements, closing arguments, and instructions. If circumstances change, the parties should immediately notify the court. **In any event, the parties should notify the court of any change in the time required for trial and of their new estimated length of trial at least 30 days before the trial readiness date in paragraph 7.**

10. CONSENT TO MAGISTRATE JUDGE:

State whether the parties unanimously consent, or do not unanimously consent, to trial, disposition, and judgment by a United States Magistrate Judge, with appeal to the Eighth Circuit Court of Appeals.

_____ yes, we unanimously consent _____ no, we do not unanimously consent

You may consent in either a jury or non-jury case. Cases consented to the United States Magistrate Judge will be set for trial on a **date certain**.

11. FILING OR DELIVERY OF FORM TO CLERK OF COURT:

Print or type the names, addresses, telephone and fax numbers, and e-mail addresses on the proposed scheduling and discovery plan; sign the proposed and plan, and e-mail the form to the following e-mail address: ecfmail@iand.uscourts.gov. **Be sure to include both pages of the proposed schedule and plan.**

IN THE MATTER OF
CRIMINAL DEADLINE EXTENSIONS

**PUBLIC
ADMINISTRATIVE ORDER**

No. 16-AO-0009-P

Due to preparations in Cedar Rapids and the surrounding area to protect the public and the property from flood waters, proceedings in the Cedar Rapids courthouse for the week of September 26-30, 2016, were canceled. In addition, attorney access to in-custody defendants has been limited because the Linn County Jail was evacuated on September 25, 2016 and the prisoners moved to a facility where attorney visitation has not been permitted.

Accordingly, deadlines in criminal cases previously set for the week of September 26-30, 2016 are automatically extended for seven calendar days without the need for attorneys to file motions to extend deadlines.

IT IS SO ORDERED.

DATED this 27th day of September, 2016.

	PLAN FOR THE COMPOSITION, ADMINISTRATION, AND MANAGEMENT OF THE PANEL OF PRIVATE ATTORNEYS UNDER THE CRIMINAL JUSTICE ACT	10

**UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF IOWA
AMENDED AND SUBSTITUTED CRIMINAL JUSTICE ACT PLAN**

I. AUTHORITY

Under the Criminal Justice Act of 1964, as amended, 18 U.S.C. § 3006A (CJA), and the *Guide to Judiciary Policy*, Volume 7A, *Guidelines for Administering the CJA and Related Statutes (CJA Guidelines)*, the judges of the United States District Court for the Northern District of Iowa adopt this Plan for furnishing representation in federal court for any person financially unable to obtain adequate representation in accordance with the CJA.

II. STATEMENT OF POLICY

A. Objectives.

1. The objective of this Plan is to attain the ideal of equality before the law for all persons. Therefore, this Plan will be administered so that those accused of crime, or otherwise eligible for services under the CJA, will not be deprived, because they are financially unable to pay for adequate representation, of any element of representation necessary to an adequate defense.
2. The further objective of this Plan is to particularize the requirements of the CJA, the USA Patriot Improvement and Reauthorization Act of 2005 (recodified at 18 U.S.C. § 3599), and the *CJA Guidelines* in a way that meets the needs of this district.

B. Compliance.

1. The court, its clerk, the federal public defender organization, and private attorneys appointed under the CJA must comply with the *CJA Guidelines* approved by the Judicial Conference of the United States and/or its Committee on Defender Services and with this Plan.
2. Each private attorney will be provided by the federal public defender organization with a then-current copy of this Plan upon the attorney's first appointment under the CJA or designation as a member of the panel of private attorneys under the CJA (CJA Panel). The federal

public defender will maintain a current copy of the *CJA Guidelines* for the use of members of the CJA Panel and will make known to such attorneys its availability.

III. DEFINITIONS

A. Representation

“Representation” includes counsel and investigative, expert, and other services.

B. Appointed Attorney

“Appointed attorney” includes private attorneys, the federal public defender, and staff attorneys of the federal public defender organization.

IV. PROVISION OF REPRESENTATION

A. Circumstance.

1. **Mandatory.** Representation **must** be provided for any financially eligible person who:
 - a. is charged with a felony or with a Class A misdemeanor;
 - b. is a juvenile alleged to have committed an act of juvenile delinquency as defined in 18 U.S.C. § 5031;
 - c. is charged with a violation of probation, or faces a change of a term or condition of probation (unless the modification sought is favorable to the probationer and the government has not objected to the proposed change);
 - d. is under arrest, when such representation is required by law;
 - e. is entitled to appointment of counsel in parole proceedings (*see CJA Guidelines*, § 210.20.10(e));
 - f. is charged with a violation of supervised release or faces modification, reduction, or enlargement of a condition, or extension or revocation of a term of supervised release;
 - g. is subject to a mental condition hearing under 18 U.S.C. § 4241, *et seq.*;
 - h. is in custody as a material witness;

- i. is seeking to set aside or vacate a death sentence under 28 U.S.C. § 2254 or 28 U.S.C. § 2255;
 - j. is entitled to appointment of counsel in verification of consent proceedings in connection with a transfer of an offender to or from the United States for the execution of a penal sentence under 18 U.S.C. § 4109;
 - k. is entitled to appointment of counsel under the Sixth Amendment to the Constitution (*see CJA Guidelines*, § 210.20.10(i)); or
 - l. faces loss of liberty in a case and federal law requires the appointment of counsel (*see CJA Guidelines*, § 210.20.10(i)).
2. **Discretionary.** Whenever a judge or United States magistrate judge determines that the interests of justice so require, representation **may** be provided for any financially eligible person who:

 - b. is seeking relief under 28 U.S.C. § 2241, 28 U.S.C. § 2254, or 28 U.S.C. § 2255 (*see CJA Guidelines*, § 210.20.20(a)(2));
 - c. is charged with civil or criminal contempt and faces loss of liberty;
 - d. has been called as a witness before a grand jury, a court, Congress, or a federal agency or commission which has the power to compel testimony, and there is reason to believe, either prior to or during testimony, that the witness could be subject to a criminal prosecution, a civil or criminal contempt proceeding, or face loss of liberty;
 - e. is proposed by the United States attorney for processing under a pretrial diversion program;
 - f. is held for international extradition under 18 U.S.C. § 3181, *et seq.*; or
 - g. is a target of a grand jury investigation and has been subpoenaed to appear before the grand jury.

Representation may also be furnished for financially eligible persons in ancillary matters appropriate to the proceedings under subsection (c) of the CJA.

B. Timely Appointment of Counsel.

Counsel must be provided to eligible persons as soon as feasible after they are taken into custody, when they appear before a United States magistrate judge or judge, when they are formally charged or notified of charges if formal charges are sealed, or when a United States magistrate judge or judge otherwise considers appointment of counsel appropriate under this Plan or the CJA, whichever occurs earliest.

C. Number and Qualifications of Counsel.

1. Number. More than one attorney may be appointed in any case determined by the court to be extremely difficult. In a capital case, the following applies:

- a. **Federal Capital Prosecutions.** Under 18 U.S.C. § 3005, a person charged with a federal capital offense is **entitled** to the appointment of two attorneys, at least one of whom must be learned in the law applicable to capital cases. Under 18 U.S.C. § 3599(a)(1), if necessary for adequate representation, more than two attorneys may be appointed to represent a defendant in such a case.
- b. **Habeas Corpus Proceedings.** Under 18 U.S.C. § 3599(a)(2), a financially eligible person seeking to vacate or set aside a death sentence in proceedings under 28 U.S.C. § 2254 or 28 U.S.C. § 2255 is **entitled** to appointment of one or more qualified attorneys. Due to the complex, demanding, and protracted nature of death penalty proceedings, judicial officers should consider appointing at least two counsel.

2. Qualifications. Qualifications for appointed counsel will be determined by the court. In capital cases the following also applies:

- a. **Appointment of Counsel Prior to Judgment.** Under 18 U.S.C. § 3599(b), at least one of the attorneys appointed must have been admitted to practice in the court in which the case will be prosecuted for not less than five years, and must have had not less than three years experience in the actual trial of felony prosecutions in that court. Under 18 U.S.C. § 3005, at least

one of the attorneys appointed must be knowledgeable in the law applicable to capital cases.

Under 18 U.S.C. § 3005, in appointing counsel in federal capital prosecutions, the court will consider the recommendation of the federal public defender.

- b. **Appointment of Counsel After Judgment.** Under 18 U.S.C. § 3599[®], at least one of the attorneys appointed must have been admitted to practice in the court of appeals for not less than five years and must have had not less than three years experience in the handling of appeals in felony cases in that court.
- c. **Attorney Qualification Waiver.** Under 18 U.S.C. § 3599(d), the presiding judicial officer, for good cause, may appoint an attorney who may not qualify under 18 U.S.C. § 3599(b) or [®], but who has the background, knowledge, and experience necessary to represent the defendant properly in a capital case, giving due consideration to the seriousness of the possible penalty and the unique and complex nature of the litigation.

D. Eligibility for Representation.

- 1. **Factfinding.** The determination of eligibility for representation under the CJA is a judicial function to be performed by a federal judge or United States magistrate judge after making appropriate inquiries concerning the person's financial condition.
- 2. **Disclosure of Change in Eligibility.** If, at any time after appointment, counsel obtains information that a client is financially able to make payment, in whole or in part, for legal or other services in connection with his or her representation and the source of the attorney's information is not protected as a privileged communication, counsel will advise the court.

V. FEDERAL PUBLIC DEFENDER ORGANIZATION

A. Establishment.

1. The federal public defender organization of the Northern District of Iowa, previously established in this district under the provisions of the CJA, is hereby recognized as the federal public defender organization for this district.
2. The federal public defender organization will be capable of providing legal services throughout the district and will maintain offices in Cedar Rapids and Sioux City, Iowa.

B. Supervision of Federal Public Defender Organization. The federal public defender will be responsible for the supervision and management of the federal public defender organization. Accordingly, the federal public defender will be appointed in all cases assigned to that organization for subsequent assignment to staff attorneys at the discretion of the federal public defender.

C. Management of CJA Panel. The clerk's office will be responsible for the systematic distribution of cases to and for the management of the CJA Panel subject to the provisions of the Plan for the Composition, Administration, and Management of the Panel of Private Attorneys under the Criminal Justice Act, found at Appendix I of this Plan.

VI. PRIVATE ATTORNEYS

A. Establishment of CJA Panel. The existing, previously established CJA Panel who are eligible and willing to be appointed to provide representation under the CJA is hereby recognized.

B. Organization. The Plan for the Composition, Administration, and Management of the Panel of Private Attorneys under the Criminal Justice Act is found at Appendix I of this Plan.

C. Ratio of Appointments. Where practical and cost effective, private attorneys from the CJA Panel will be appointed in a substantial proportion of the cases in which the accused is determined to be financially eligible for representation under the CJA. "Substantial" will usually be defined as

approximately 25 % of the appointments under the CJA annually throughout the district.

VII. DUTIES OF APPOINTED COUNSEL

- A. Standards.** The services to be rendered a person represented by appointed counsel will be commensurate with those rendered if counsel were privately employed by the person.
- B. Professional Conduct.** Attorneys appointed under the CJA must conform to the highest standards of professional conduct, including, but not limited to, the provisions of the Iowa Rules of Professional Conduct.
- C. No Receipt of Other Payment.** Appointed counsel may not require, request, or accept any payment or promise of payment or any other valuable consideration for representation under the appointment, unless such payment is approved by order of the court.
- D. Continuing Representation.** Once counsel is appointed under the CJA, counsel will continue the representation until the matter, including appeals or review by certiorari (as governed by the circuit CJA plan provisions concerning representation on appeal), is closed; until substitute counsel has filed a notice of appearance; until an order has been entered allowing or requiring the person represented to proceed *pro se*; or until the appointment is terminated by court order.

VIII. DUTIES OF LAW ENFORCEMENT AND RELATED AGENCIES

- A. Presentation of Accused for Appointment of Counsel.** Federal law enforcement and prosecutorial agencies, probation officers, and pretrial services officers in this district, and those acting on their behalf, must promptly ask any person who is in custody, or who otherwise may be entitled to counsel under the CJA, whether he or she is financially able to secure representation, and must, in such cases in which the person indicates that he or she is not able, notify the federal public defender who will discuss with the person the right to representation and right to appointed counsel, and if appointment of counsel seems likely, assist in the completion of a financial affidavit (Form CJA 23) and arrange to have the person promptly presented before a United States magistrate judge or judge of this court for determination of financial eligibility and appointment of counsel.

- B. Pretrial Services Interview.** A pretrial services officer must conduct an initial interview of a defendant to assist the court in deciding whether a defendant will be released or kept in custody pending trial. The pretrial services officer must advise the defendant of the right to speak with a lawyer before answering questions and must further advise the defendant that, if the defendant cannot afford a lawyer, one will be appointed. The pretrial services officer will only ask those questions necessary to complete the initial pretrial report and will not ask questions concerning the substantive offense or the alleged relevant conduct. This interview may be conducted prior to the appointment of counsel, but the interview must be immediately terminated if the defendant requests to speak with a lawyer at any time during the interview. Relevant information bearing on the defendant's financial eligibility must be reflected on a financial eligibility affidavit (Form CJA 23) which should be filled out by the defendant with the assistance of counsel. After completion, the form must be presented to a United States magistrate judge or judge of this court. Other officers or employees of the court (i.e., clerk, deputy clerk or pretrial services officer) may be designated by the court to verify the facts contained within the affidavit upon which such determination is to be made. Employees of law enforcement agencies or United States attorney's offices must not participate in the completion of the Form CJA 23 or seek to obtain information from a person requesting the appointment of counsel concerning his or her eligibility.
- C. Notice of Indictment or Criminal Information.** Upon the return or unsealing of an indictment, the filing of a criminal information, or the filing of a petition to modify or revoke probation, the United States attorney or the probation officer, as appropriate, must immediately mail or otherwise deliver a copy of the document to appointed counsel, or to the defendant if he is without counsel, at the address shown on defendant's bond papers or to the jail in which the defendant is incarcerated.

IX. MISCELLANEOUS

- A. Forms.** Standard forms, pertaining to the CJA and approved by the Judicial Conference of the United States or its Committee on Defender Services and prescribed and distributed by the Director of the Administrative Office of the United States Courts, must be used, where applicable, in all proceedings under this Plan.

B. Claims. Claims for compensation of private attorneys providing representation under the CJA must be submitted via the evoucher system. The clerk's office will review the claim form for conformity with the Guidelines for Administering the CJA and Related Statutes (Volume VII, *Guide to Judiciary Policy*) and for mathematical and technical accuracy and, if correct, will forward the claim form for the consideration and action of the judge or United States magistrate judge.

C. Supersession. This Plan supersedes all prior CJA Plans of this court.

X. EFFECTIVE DATE

This Plan will become effective when approved by the Judicial Council of the Eighth Circuit.

APPENDIX I

PLAN FOR THE COMPOSITION, ADMINISTRATION, AND MANAGEMENT OF THE PANEL OF PRIVATE ATTORNEYS UNDER THE CRIMINAL JUSTICE ACT

I. COMPOSITION OF PANEL OF PRIVATE ATTORNEYS

A. CJA Panels

1. **Approval.** The court will establish two panels of private attorneys (hereinafter referred to as the “Cedar Rapids CJA Panel” and the “Sioux City CJA Panel,” respectively, and “CJA Panels,” collectively) who are eligible and willing to be appointed to provide representation under the Criminal Justice Act. The court will approve attorneys for membership on the Cedar Rapids CJA Panel and the Sioux City CJA Panel after receiving recommendations from the “Panel Selection Committees,” established under paragraph B of this Plan. Members of the CJA Panels will serve at the pleasure of the court.
2. **Size.** The Cedar Rapids CJA Panel and the Sioux City CJA Panel will be large enough to provide a sufficient number of experienced attorneys to handle the CJA caseload, yet small enough so that members of the CJA Panels will receive an adequate number of appointments to maintain their proficiency in federal criminal defense work, and thereby provide a high quality of representation.
3. **Eligibility.** Attorneys who serve on the Cedar Rapids CJA Panel and attorneys who serve on the Sioux City CJA Panel must be members in good standing of the federal bar of this district and must have demonstrated experience in, and knowledge of, the Federal Rules of Criminal Procedure, the Federal Rules of Evidence, and the United States Sentencing Guidelines.

Subsection (b) of the Criminal Justice Act provides, in part, that:

Counsel furnishing representation under the plan shall be selected from a panel of attorneys designated or approved by the court, or from a bar association, legal

aid agency, or defender organization furnishing representation pursuant to the plan.

However, when a United States magistrate judge or judge determines that the appointment of an attorney, who is not a member of the district's CJA Panels, is in the interest of justice, judicial economy or continuity of representation, or there is some other compelling circumstance warranting his or her appointment, the attorney may be admitted to either the Cedar Rapids CJA Panel or Sioux City CJA Panel *pro hac vice* and appointed to represent the CJA defendant. Consideration for preserving the integrity of the panel selection process suggests that such appointments should be made only in exceptional circumstances. Further, the attorney, who may or may not maintain an office in the district, should possess such qualities as would qualify the attorney for admission to the district's Cedar Rapids CJA Panel or Sioux City CJA Panel in the ordinary course of panel selection.

4. ***Equal Opportunity.*** All qualified attorneys will be encouraged to participate in the furnishing of representation in CJA cases, without regard to race, color, religion, sex, sexual orientation, age, national origin, or disabling condition.
5. ***Application.*** Application forms for membership on the CJA Panels will be made available, upon request, by the federal public defender organization. Completed applications will be submitted to the federal public defender organization who will transmit the applications to the chairperson of the Panel Selection Committee.
6. ***Continuing Legal Education.*** The federal public defender will regularly schedule and conduct meetings and programs for attorneys on the CJA Panels. Such meetings and programs will be held at least two times during a calendar year. They will be designed to ensure that attorneys on the CJA Panels are kept current on recent developments in federal criminal law and to present speakers and topics of interest to attorneys who act as appointed counsel under the Criminal Justice Act. Attorneys on the CJA Panels must attend a minimum of six hours of these meetings and programs each calendar year in order to remain a member of the Cedar Rapids CJA Panel or the Sioux City CJA Panel. Attendance at not less than six hours of

other continuing legal education in the area of federal criminal law may, at the discretion of the federal public defender, be substituted for attendance at these meetings and programs.

In addition, all members of the CJA panels are encouraged to contact the federal public defender's office for assistance with questions of federal law and procedure. New members of the CJA panel who have relatively little experience in handling federal criminal cases should contact the federal public defender's office to ask about opportunities to serve as second chair in trials. Lawyers who serve as second chair in these circumstances are not eligible to receive compensation for these services.

7. ***Acceptance of Appointments.*** By serving on one of the CJA Panels, an attorney agrees to accept at least three appointments in the district during each calendar year.

B. Panel Selection Committee

1. ***Membership.*** A Panel Selection Committee in Cedar Rapids and a Panel Selection Committee in Sioux City will be established by the court. The Committees will consist of one district judge, one United States magistrate judge, the clerk of court (or his or her designee), the Chief United States probation officer (or his or her designee), one attorney who is a member of the Cedar Rapids CJA Panel or one attorney who is a member of the Sioux City CJA Panel, and the federal public defender. The Committees will be chaired by the federal public defender.
2. ***Duties.***
 - a. The Panel Selection Committees will meet annually to consider applications for vacancies on the CJA Panels. The Committees will review the qualifications of applicants and recommend, for approval by the court, those applicants best qualified to fill the vacancies.

At their meetings, the Committees will also discuss the status of current members of the CJA Panels, consider whether any members should be removed from the CJA Panels due to

performance issues or for disciplinary reasons, review the operation and administration of the CJA Panels over the preceding year, and recommend to the court any changes deemed necessary or appropriate by the Committees on the appointment process and panel management. The Committees will also inquire annually as to the continued availability and willingness of each panel member to accept appointments. In addition, the Committees will annually furnish information to the court regarding recruitment efforts undertaken by the Committees in furtherance of the Equal Opportunity statement in paragraph I.A.4 of this Plan.

- b. Removal from a CJA Panel. Membership on a CJA Panel is not a right. A Panel Selection Committee may determine from time to time that, by reason of information received by the Committee, it should remove a member from the CJA Panel or take other remedial action. Grounds for removal from the CJA Panel include, but are not limited to, refusing to accept appointments on a consistent basis, providing inadequate representation, or engaging in improper or unethical conduct. When a Committee receives information that presents a potential reason to remove a panel member, the Committee will address the issue during one of its biannual meetings, or it may instead call a special meeting.

Before disposing of the issue, the Committee may recommend temporary removal of the panel member from any pending cases, or from the CJA Panel, and it may take any other protective action that is in the best interest of a defendant or the administration of the Criminal Justice Act.

The panel member against whom an allegation is made will receive written notice of the allegation, will be given the opportunity to attend the Committee meeting at which the issue will be addressed, and will be permitted to present information, orally or in writing, in his or her own behalf in response to the allegation. A majority vote of the Committee—taken by written, secret ballot—will decide the issue. If the request to remove the panel member has been initiated by a member of the Committee because of that

member's own assessment of the panel member's deficiencies in representing defendants, that member of the Committee will not vote on the removal question. The Committee's decision will be communicated in writing to the panel member, with reasons stated for the decision.

A panel member who has been removed from a CJA Panel may file an application to be placed back on the CJA Panel no earlier than one year from the date of removal. In the application for reinstatement, the attorney must note the earlier removal and explain why he or she should be permitted to return to the CJA Panel.

None of these procedures should be deemed to create a proprietary interest in being on or remaining on the CJA Panel. *See Roth v. King*, 449 F.3d 1272, 1283-86 (D.C. Cir. 2006).

- c. If, at any time during the course of a year, the number of vacancies due to resignation, removal, or death significantly decreases the size of the Cedar Rapids CJA Panel or the Sioux City CJA Panel, the appropriate Committee will solicit applications for the vacancies, convene a special meeting to review the qualifications of the applicants, and select prospective members for recommendation to the court for approval.

II. SELECTION FOR APPOINTMENT

A. Maintenance of List and Distribution of Appointments

The federal public defender will maintain a current list of all attorneys included on each of the CJA Panels, with current office addresses, e-mail addresses, and telephone numbers, as well as a statement of qualifications and experience. The federal public defender will furnish a copy of these lists to each judge and United States magistrate judge in this district. The clerk's office will maintain a public record of assignments to private counsel and the amount of compensation received by private counsel on each matter. The federal public defender will maintain the statistical data reflecting the

proration of assignments between attorneys for the Federal Public Defender Organization and private attorneys.

B. Method of Selection

Appointments from the list of private attorneys should be made on a rotational basis, subject to the court's discretion to make exceptions due to the nature and complexity of the case, an attorney's experience, and geographical considerations. This procedure should result in a balanced distribution of appointments and compensation among the members of the CJA Panels, and quality representation of each CJA defendant.

Upon the determination of a need for the appointment of counsel, the judge or United States magistrate judge will notify the federal public defender of the need for counsel and the nature of the case.

The federal public defender will advise the judge or United States magistrate judge as to the status of distribution of cases, where appropriate, as between the federal public defender and the CJA Panels of private attorneys. If the United States magistrate judge or judge decides to appoint an attorney from the Cedar Rapids CJA Panel or the Sioux City CJA Panel, the clerk's office will determine the name of the next panel member on the list who has handled, or assisted in, a case of equal or greater complexity than the case for which appointment of counsel is required, and who is available for appointment, and will provide the name to the appointing judge or United States magistrate judge.

In the event of an emergency, i.e., weekends, holidays, or other non-working hours of the federal public defender organization, the presiding judge or United States magistrate judge may appoint any attorney from the list. In all cases where panel members are appointed out of sequence, the appointing judge or United States magistrate judge will notify the clerk's office as to the name of the attorney appointed and the date of the appointment.

III. COMPENSATION—FILING OF VOUCHERS

Claims for compensation must be submitted via the evoucher system. The clerk's office will review the claim form for conformity with the Guidelines for Administering the CJA and Related Statutes (Volume VII, *Guide to Judiciary*

Policy) and for mathematical and technical accuracy and, if correct, will forward the claim form for the consideration and action of the judge or United States magistrate judge.

I. ADOPTION OF PLAN BY THE COURT

This plan for the effective control and management of court reporting services, which includes the utilization of official court reporters, contract or per diem court reporters and courtroom deputies utilizing digital court recording software, is adopted by the United States District Court for the Northern District of Iowa. It is subject to the final approval by the Eighth Circuit Judicial Council and the rules and regulations that the Judicial Conference of the United States may adopt. This plan applies to all court reporters serving in any capacity, that is, official, temporary, contract or per diem, in the Northern District of Iowa and provides information on the day-to-day operation and management of the court reporting component within the court. The *Guide to Judiciary Policy* (“*The Guide*”) provides more detailed guidelines and procedures regarding court reporting in the federal judiciary. See *The Guide*, Volume 6. This plan is intended as a supplement to the provisions set forth in the Court Reporters Act, 28 U.S.C. § 753, and *The Guide*. When approved, this plan will supersede the court reporter management plan that has been in effect in the Northern District of Iowa since January of 2003.

II. EMPLOYMENT

Only court reporters fully qualified under the terms of 28 U.S.C. § 753(a) will be appointed. The court prefers applicants who have successfully completed the certified realtime reporter examination or are at least proficient in realtime reporting. Court reporters will provide realtime reporting to the court at no additional cost to the court.

Official court reporters are employed pursuant to 28 U.S.C. § 753 and the policies of the Judicial Conference of the United States and the Administrative Office of the United States Courts (“AO”). Official court reporters are appointed for the court en banc and are neither directly employed by nor part of the personal staff of an individual district judge. Nonetheless, for ease of scheduling and administration, each official court reporter may be primarily assigned to one district judge. The district judge headquartered in Cedar Rapids, Iowa, is responsible for supervising the official court reporter employed at that location, and the district judge headquartered in Sioux City, Iowa, is responsible for supervising the official court reporter employed at that location. The district judge acts as the day-to-day supervisor of the assigned official court reporter, and the district judge’s supervision of the assigned official court reporter includes matters such as tour of duty, leave and scheduling.

A. Duties of Supervising Judge or Clerk of Court

The court, en banc, in accordance with *The Guide*, Volume 6, Chapter 1, § 130.25, delegates to the clerk of court or supervising judge or designee administrative matters such as:

- (a) monitoring the overall workload with the goal of fairly and efficiently distributing the work that all court reporters do and minimizing the travel of official court reporters, the use of contract court reporters and other costs to the court;
- (b) overseeing the relationship between a court reporter and parties, attorneys, court staff and fellow court reporters;
- (c) monitoring all requests for transcripts;
- (d) conducting periodic review of transcripts to ensure full compliance with format requirements of the AO and the Judicial Conference of the United States;
- (e) conducting periodic review of records to ensure proper recording;
- (f) conducting periodic review of order and billing records to ensure that authorized transcript rates are charged, that billing is in proper form and that transcripts are prepared in a timely manner;
- (g) verifying compliance with the recording, certifying and filing provisions of 28 U.S.C. § 753(b), which includes but is not limited to those that pertain to proceedings recorded by shorthand, mechanical means, electronic sound recording or any other method of all criminal arraignments, pleas and proceedings made in connection with the imposition of a sentence;
- (h) reviewing records to ensure that all notes and audio recordings are maintained in accordance with 28 U.S.C. § 753(b) and this plan;
- (i) conducting periodic review of time and attendance records to ensure proper maintenance and accuracy;

(j) reviewing records to ensure timely submission and filing of reports required by the AO and Judicial Conference of the United States;

(k) acting as a liaison to the courts of appeals on matters pertinent to court reporters serving in the Northern District of Iowa and transcript production pursuant to Federal Rule of Appellate Procedure 11(b);

(l) conducting periodic review of budget, salary, benefits, travel, space and facilities needs;

(m) administering discipline or sanctions pursuant to the provisions of this plan or the court's policies and guides; and

(n) performing other duties as the court directs, such as compiling and maintaining records relating to leave and other administrative benefits.

Newly-appointed official court reporters serve a probationary period of one year which may be extended or termed. To the extent feasible, all newly-appointed official court reporters must be proficient in realtime reporting or achieve realtime reporting proficiency within one year of entrance on duty. All court reporters are encouraged to provide realtime upon request, and, if providing realtime, they must comply with the realtime reporting standards promulgated by the Judicial Conference of the United States.

An appointment as an official court reporter constitutes an appointment as an official court reporter for the court en banc. Official court reporters continue to retain employment regardless of the resignation, retirement or death of an individual district judge. During the period between such an occurrence and the appointment of a new district judge, an official court reporter continues to serve other reporting needs of the court.

Official court reporters have no vested right of employment. After obtaining the approval of the court en banc, the clerk of court may terminate an official court reporter with or without cause. Periodic reviews of an official court reporter's performance may be conducted by the supervising judge. When evaluating an official court reporter's performance, the clerk of court will discuss work performance factors with the supervising district court judge. An official court reporter may be subject to disciplinary action and/or dismissed from service to the court if the official court reporter fails to perform competently or satisfactorily or fails to comply with the provisions of this plan. Further, if at any time, in the judgment of the court, the volume of work or budget of the Northern

District of Iowa does not justify retention of the full complement of existing official court reporters, a reduction may be accomplished through relocation, through attrition or by termination after providing notice that is not less than 60 days.

B. Duties of Court Reporters

All court reporters are appointed by the clerk of court and serve at the pleasure of the court en banc. In the performance of their duties, all court reporters of the Northern District of Iowa must follow: the statutory requirements of 28 U.S.C. § 753; the administrative practices defined in *The Guide*; the administrative practices defined in this plan; and such other policies as set forth by the court.

C. Leave Act

At its September 1987 meeting, the Judicial Conference of the United States adopted a policy that requires official court reporters in the same court location to have the same status, that is, either all under the Leave Act, 5 U.S.C. § 6301, et seq., or all not under the Leave Act. Official court reporters who are under the Leave Act accrue and use sick and annual leave just as other deputy clerks do, and, when they are absent, the court is responsible for providing court reporting coverage. A contract court reporter or a per diem court reporter will be obtained when an official court reporter who is under the Leave Act requests leave, the supervising district judge is in court and another official court reporter is not available or a cost analysis does not justify the use of another official court reporter. Official court reporters who are under the Leave Act have regular office hours at the courthouse, that is, a regular tour of duty, and during those hours they are not permitted to perform freelance work.

Official court reporters who are not under the Leave Act do not accrue sick leave or annual leave and must provide their own substitute when they are absent. They also do not have any set office hours at the courthouse, that is, no regular tour of duty, so they can perform freelance work any time that they are not needed in court. Also, pursuant to *The Guide*, if a court reporter who is not covered by the Leave Act is unavailable for court and cannot provide a substitute reporter, he or she is to be placed in a non-pay status for the time period that another court reporter has to be paid by the court. *See The Guide*, Volume 6, Chapter 2 § 240.50.

In the Northern District of Iowa, there are two official court reporters. One official court reporter is located in Cedar Rapids, Iowa and the other official court reporter is located in Sioux City, Iowa. Both official court reporters are under the Leave Act. An

official court reporter that ends his or her tour of duty will be replaced with an official court reporter who is under the Leave Act.

D. Time and Attendance

For official court reporters, the core hours during which they are generally expected to be at the courthouse are 8:00 a.m. to 5:00 p.m., Monday through Friday, but each official court reporter must be available outside regular core hours if directed to do so by the supervising district judge. Compensatory time may be accumulated as determined by the supervising judge. In the Northern District of Iowa specific core hours are determined by the supervising judge in each courthouse. Official court reporters remain on official duty during those hours unless on approved leave status. The hours of official court reporters may be altered for any given day/week with the approval of the supervising district judge. On a day-to-day basis, leave is approved by the supervising district judge. Official court reporters are encouraged to take leave when the supervising district judge is not scheduled to be in the courtroom. For tracking purposes, an official court reporter is required to obtain permission to take leave from their supervising judge, then enter his or her leave request into the automated leave tracking system ("Electronic Leave Management Resource or ELMR") for approval by the clerk of court.

E. Assignment of Official Court Reporters

The Northern District of Iowa is authorized one official court reporter for each active district judge. However, it is the policy of the Northern District of Iowa that, although official court reporters are not permanently assigned to individual district judges, all non-supervising reporting assignments are to be co-ordinated between the court reporter and the supervising district judge whom the official court reporter is ordinarily assigned.

Contract reporters will be hired for trials and hearings conducted by senior district judges, visiting district judges and magistrate judges only when an official court reporter is not available at the location where the trial or hearing is to take place. Subject to the approval of the supervising district judge, any official court reporter may be assigned to serve a senior district judge, visiting district judge or magistrate judge. Such assignment must be made in a manner designed to reduce the overall costs of providing necessary court reporting within the Northern District of Iowa.

F. Employment and Assignment of Additional Court Reporters

The clerk of court or designee is directed to arrange for court reporting coverage, to monitor the court schedule and manage reporting assignments so as to minimize the use

of contract court reporters or per diem court reporters and to minimize any travel. Every reasonable effort will be made through scheduling to reduce the need for reporting services by contract court reporters and per diem court reporters and to minimize travel by them. If court reporting services are required beyond what can be provided by the two official court reporters, contract court reporters or per diem court reporters will be hired on an as-needed basis and paid for by the court. Contract court reporters are those from a firm that has been awarded a contract for court reporting by the court. Per diem court reporters are also hired on an as-needed basis but do not have a long term contract with the court, and, therefore, they are called from a rotational list of qualified area court reporters. Contract court reporters and per diem court reporters must be fully qualified under the standards adopted by the Judicial Conference of the United States and must adhere to transcript format and rate schedules in the same manner as official court reporters. The contract offered to a contract court reporter and any arrangement with a per diem court reporter will incorporate the relevant terms and conditions of this plan.

III. REPORTING SERVICES FOR MAGISTRATE JUDGES

Some proceedings before magistrate judges are recorded by courtroom deputies using digital sound recording equipment. *See The Guide*, Volume 6, Chapter 1 § 115.20. These courtroom deputies are employed by the clerk's office and are responsible for the accurate and proper verbatim recording of court proceedings. When a request is made for a digitally recorded proceeding to be transcribed, the clerk's office will arrange for an official court reporter or qualified transcriber to transcribe the proceeding. Official court reporters who are assigned to transcribe a digitally recorded proceeding will access the proceeding from the court's network. When a magistrate judge determines that a court reporter is required by a specific rule or statute or by the particular circumstances of the case, the magistrate judge's staff will request reporting coverage from the clerk's office and such person will review the official court reporters' assignments and arrange for court reporting of the proceeding. *See The Guide*, Volume 6, Chapter 4.

IV. FREELANCE REPORTING

Freelance reporting is reporting that is not required in the discharge of official duties. Official court reporters may not engage in freelance reporting or transcribing activities or other private business of any kind, which includes providing deposition services and reporting services for grand juries, during their regular tours of duty. Official court reporters may perform freelance reporting during their employment with the court provided that such work is during non-core working hours and their supervising district judge approves. Official court reporters will be allowed to take leave during core working hours to perform private work if their supervising judge approves. An official court

reporter who plans to engage in freelance reporting must obtain from their supervising district judge written approval that grants him or her permission to perform such work. The letter from the supervising district judge will be placed in the official court reporter's personnel file.

V. TRANSCRIPTS

All reporters are required to receive, process, and fulfill transcript requests according to the specifications in *The Guide*, Volume 6, Chapter 5, and the policies of the Judicial Conference of the United States. The supervising judge may monitor the transcript order and delivery process, including timeliness, rates charged and compliance with national policies, for appeal transcripts, Criminal Justice Act transcripts and private transcripts. Overcharging for services or transcripts provided to the court, counsel or the requesting party will result in the official court reporter or court reporter being required to make restitution to the ordering party or the court, and an official court reporter may also be subject to disciplinary action, including dismissal, at the discretion of the court en banc. *See The Guide*, Volume 6, Chapter 5 § 530.95. The court and the court of appeals may each sanction an official court reporter who habitually files late transcripts. A reduction in fees may be ordered to be credited to the ordering party by the supervising judge.

In multi-defendant cases that involve more than one Criminal Justice Act defendant, no more than one transcript should be purchased from the official court reporter on behalf of the Criminal Justice Act defendants. One of the appointed counsel or the court reporter will arrange for duplication of the transcript at a commercially competitive rate for each defendant for whom a transcript was approved. The cost of duplication will be charged to the Criminal Justice Act appropriation.

The authorized fee schedule promulgated by the Judicial Conference sets forth the fees to be charged for ordinary, 14 day, expedited, and realtime transcripts. No reporter employed by the court may charge fees for transcripts which exceed the authorized fee schedule of the Judicial Conference of the United States. No reporter employed by the court may charge fees for services not authorized by the Judicial Conference of the United States. Current fee schedules are available through the clerk's office website.

A copy of each transcript prepared is required to be filed with the office of the clerk of court following the CM/ECF procedures established by the court at no cost to the court.

No transcripts of court proceedings shall be considered official except those made from the records certified by the court reporter. 28 U.S.C. § 753(d). Proceedings

recorded by the courtroom deputy using digital sound recording equipment are saved on a server within the information technology ("IT") department. Public requests for digitally recorded proceedings are made through the clerk's office. Normally an official court reporter is available to transcribe digital sound recordings at the request of any party and create the official record. If a party requests a digital copy of an electronic recording, the clerk's office will request and receipt for payment of fees required and make delivery arrangements. The clerk's office will create a CD of the proceeding, checking quality during creation. In the event that a proceeding is being reported by a court reporter and is also recorded by FTR Gold, the official transcript can only be purchased from the court reporter who provided reporting services.

VI. RECORDS AND REPORTS

Records of court proceedings are required to be kept by all reporters. *See The Guide*, Volume 6, Chapter 1 § 140.55. So that the integrity of the record is preserved, original paper notes of official court reporters are to be maintained under suitable conditions in the courthouse. The clerk's office will preserve them in the public records for not less than ten years. Non-official court reporters are responsible for maintaining their original paper notes for not less than ten years. These records may periodically be transferred to the Federal Records Center, and would then be destroyed in accordance with *The Guide*, Volume 10, Chapter 6, Appendix 6B.

To further fulfill the archiving of notes requirements that are outlined in 28 U.S.C. § 753(b), all reporters must save their raw, original notes in Portable Document Format ("PDF"). Within 90 days of a proceeding, all official court reporters must submit their PDF notes for storage. Court reporters may utilize CM-ECF to electronically file PDF notes in the appropriate case. Notes may also be stored in a folder within the court's network. Official court reporters will verify the successful transfer of their PDF notes to storage. Official notes of all court reporters stored in CM/ECF will be filed under the "court only" restriction level, but will be made available for public inspection upon request. The steno notes are not to be copied or distributed. Contract and per diem court reporters also must save their raw, original notes in Portable Document Format ("PDF") and should be prepared to provide such at the request of the court.

Official court reporters are required to complete and submit reports as directed by the Administrative Office (AO). Reports are submitted to the Clerk's Office for approval via the Automated Court Reporter Application ("ACRA") system. The Clerk's Office approves and then submits them for official filing at the AO.

A. Attendance and Transcripts of United States Court Reporters (AO 40A)

This report is submitted quarterly and reports days in court and transcripts produced. Instructions for completion of each element of the report can be found in *The Guide*, Volume 6, Chapter 1 § 140.30. Official court reporters must submit this via ACRA so that it can be approved and submitted to the AO no later than 20 days after the quarter closes, that is, April 20, July 20, October 20, and January 20 for the preceding quarter. In the event that an official court reporter retires, resigns or is otherwise separated, Form AO 40A must be filed within 20 days from the date of separation.

B. Statement of Earnings of United States Court Reporters (AO 40B)

This report is submitted annually and reports the income and expenses of official court reporters, not non-official court reporters. Official court reporters must submit this via ACRA so that it can be approved and submitted to the AO no later than April 15 of each year for the prior calendar year. In the event that an official court reporter retires, resigns or is otherwise separated, Form AO 40B must be filed within 60 days from the date of separation, even if employment for the year was only partial.

C. Other Forms

The following forms are available to aid official court reporters in recording and tracking the information required on the above mandatory reports. Expense Ledger (Form AO 37), Attendance Ledger (Form AO 38), Transcript Order and Collections Ledger (Form AO 39) and Invoice (Form AO 44).

VII. EQUIPMENT AND SPACE

Official court reporters are both court employees and independent contractors, so there is a division between what equipment is provided by the court, and what is provided by the official court reporter. *See generally The Guide*, Volume 6, Chapter 2 § 260. The court provides office space to official court reporters according to the preference of the supervising district judge, what is reasonably available in the courthouse and the U.S. Courts Design Guide, including sufficient electrical connections for equipment needed to produce official transcripts. Official court reporters are provided furnishings from available supplies and are authorized up to Level C furniture depending upon the availability of funds.

Official court reporters, contract court reporters and per diem court reporters are responsible for purchasing all equipment and supplies used to report proceedings and

produce transcripts. The court is responsible for software to enable judges to view realtime. IT staff are available to help maintain efficient operation of the courtroom, which includes realtime.

Official court reporters are authorized to access the Data Communications Network ("DCN"), which is the judiciary's secure network, for official purposes. The court provides the equipment and connectivity to enable official court reporters to work effectively and to submit required reports electronically.

VIII. EFFECTIVE DATE

This Court Reporting Management Plan replaces all previous court reporting plans for the United States District Court for the Northern District of Iowa, and will become effective upon being approved by the Judicial Council of the Eighth Circuit.

PLAN FOR REPRESENTATION OF
INDIGENT PRISONER PLAINTIFFS IN
CIVIL RIGHTS CASES

ORDER

Public Administrative Order

N.D. No. 12 - AO - 1 - P

S.D. No. 12 - AO - 1 - P

This Order supersedes the Plan for Representation of Indigent Plaintiffs in Civil Rights Cases dated March 20, 1992 (N.D. Adm. No. 1119 and S.D. No. M-1-105). Since 1989 the Northern and Southern Districts of Iowa have worked with the Federal Bar to develop and apply a system of indigent representation that meets prisoners' need for counsel in cases brought under 42 U.S.C. § 1983. This Plan reflects the Court's belief that justice requires availability of representation in certain civil cases, and that attorneys have a responsibility to perform *pro bono* work to remain members in good standing of the Bar of the Northern and Southern Districts of Iowa. "The participation of the bar in providing services to the indigent, though they be residents of correctional institutions, is essential." In Re Lang, 801 F.2d 1040, 1044 (8th Cir. 1986).

In the past, our methods of reimbursing counsel for representation in these cases have included use of grants via the Iowa State Bar Association Volunteer Lawyers Project, and contracts with law firms and individual attorneys to provide services on a fee-per-month or case-by-case basis. The judges of the Northern and Southern Districts of Iowa elected to eliminate the long-standing contract for prisoner representation, effective June 30, 2011. Since that time the two districts have established their own respective methods for assigning counsel on a case-by-case basis.

Payments under this Plan are made from Attorney Admission Fee Funds, which obtain their monies from the Continuing Legal Education and *pro hac vice* admission fees paid by attorneys as authorized by Local Rule 83.1.c.4. Counsel who have accepted a *pro bono* appointment since their last Continuing Legal Education Report are exempt from paying the fee for two reporting periods. Attorneys who are full-time employees of a legal aid society, legal services corporation, or other nonprofit organization, which has as its primary purpose the furnishing of legal services to indigent Iowans, are exempt from payment of the Continuing Legal Education fee. Attorneys who are full-time employees of a government entity are exempt from payment of the Continuing Legal Education fee, but shall biennially complete five hours of non-litigation projects involving management of these cases.

To allow for more strict controls and audits of interpreter vouchers submitted for payment under the Criminal Justice Act, new procedures have been proposed by the Federal Public Defender's Office of the Northern and Southern Districts of Iowa. The primary changes to the current procedures are:

ADVANCE AUTHORIZATION OF
EXPENDITURES FOR
INVESTIGATIVE, EXPERT, OR
OTHER SERVICES

ADMINISTRATIVE ORDER

IT IS HEREBY ORDERED that any attorney or party intending to retain investigative, expert, or other services to assist in the defense of a criminal case, with the expectation that the cost of the services be paid for or reimbursed by the government under the Criminal Justice Act, are to follow the procedures described in the attachment to this Order.

DONE AND ORDERED this 9th day of November, 2011.

Linda R. Reade, Chief U.S. District Judge
UNITED STATES DISTRICT COURT

Advance Authorization of Expenditures for Investigative, Expert, or Other Services

Approval Required: Title 18 U.S.C. 3006A(e)(1) provides that counsel for an indigent defendant may, in an *ex parte* application, request “investigative, expert, or other services necessary for adequate representation.” A district judge, and not a magistrate judge, must approve such requests unless “the services are required in connection with a matter over which [the magistrate judge] has jurisdiction.” *Id.* The practical effect of this is that almost all such requests must be approved by a district judge and not a magistrate judge.

Cost of Services will not exceed \$800: If the cost of the services will not exceed \$800, prior approval is not required. § 3006A(e)(2)(A). However, since the need for the services and the bill are subject to later review by the court, such requests should be made in advance whenever possible.

Cost of Services will exceed \$800: If the cost of the services will exceed \$800, the request must be made in advance. If prior approval has not been obtained, the court can approve an expenditure after the fact if the court finds that the expenditure was in the “interest of justice” and that “timely procurement of [the services] could not await prior authorization.” § 3006A(e)(2)(B). It is the rare case, however, where advance authorization cannot be obtained.

Cost of Services will exceed \$2,400: Expenditures exceeding \$2,400 will not be paid unless the court certifies that payment in excess of that limit is “necessary to provide fair compensation for services of an unusual character or duration,” and “the amount of the excess payment is approved by the chief judge of the circuit.” § 3006A(e)(3).

CJA form 21 and Addendum Form. CJA form 21, entitled “Authorization and Voucher for Expert and Other Services,” must be used to request authorization and payment for these services. A copy of this form is attached. In completing the form, instead of putting a “Description” in Block 13, it should state “See Addendum,” and the attached “Addendum” should be completed and submitted with the form (unless the request is for routine interpreting services costing \$800 or less, in which case the Addendum does not have to be completed). The CJA form 21 and the Addendum must be submitted together to the Clerk of Court. The Clerk of Court will transmit the forms to the appropriate judicial officer.

Forms Available on Website: Both the CJA form 21 and the Addendum form are available for downloading from the court’s website at www.iand.uscourts.gov.

f. Limited Exception for Pilot Program in Southern District.

In the Southern District there is a limited exception to the ban on recording and publication of district court proceedings as set forth in this rule for district judges participating in a pilot program established by the Judicial Conference of the United States in September 2010 (JCUS-SEP 10, pp. 3-4) to evaluate the effect of cameras in district court courtrooms, of video recordings of proceedings therein, and of publication of such video recordings.

**NOTICE OF PROPOSED AMENDMENT TO THE
LOCAL RULES OF THE UNITED STATES DISTRICT COURTS
FOR THE NORTHERN AND SOUTHERN DISTRICTS OF IOWA
TO BE EFFECTIVE SEPTEMBER 1, 2011**

June 10, 2011

Notice is hereby given that the Local Rules of the United States District Courts for the Northern and Southern Districts of Iowa will be amended effective September 1, 2011, to add a new subparagraph (f) to Local Rule 83.4, which bans the audio and video recordings of court proceedings. The proposed new subparagraph (f) states as follows:

f. Limited Exception for Pilot Program in Southern District. In the Southern District there is a limited exception to the ban on recording and publication of district court proceedings as set forth in this rule for district judges participating in a pilot program established by the Judicial Conference of the United States in September 2010 (JCUS-SEP 10, pp. 3-4) to evaluate the effect of cameras in district court courtrooms, of video recordings of proceedings therein, and of publication of such video recordings.

Any recording and publication conducted pursuant to the pilot program must comply with the program guidelines issued by the Judicial Conference Committee on Court Administration and Case Management, pursuant to the pilot program (available at www.uscourts.gov).

The proposed amendment is a result of the potential participation of the Southern District of Iowa in a Digital Video Recording Pilot program ("DVR program") of the Committee on Court Administration and Case Management of the Judicial Conference of the United States ("Conference Committee"). The DVR program will study the use of digital video recording of district court proceedings in civil cases and the making of those recordings publicly available through www.uscourts.gov and court websites. Participation in individual cases is subject to the consent of the parties, and approval by the presiding judge. Details of the program are available at the website identified above. Because the audio and video recording of court proceedings is currently prohibited by Local Rule 83.4, an amendment to the rule is necessary to enable participation in the DVR program. The proposed amendment, with minor variation which applies to the amendment only in the Southern District, would adopt the model local rule suggested by the Conference Committee.

The public is invited to review and make comments on the proposed amendment. Any comments should be directed to United States Magistrate Judge Ross A. Walters of the Southern District, either by e-mail to ross_a_walters@iasd.uscourts.gov, or by mail to the United States Courthouse, 123 East Walnut Street, Room 440, Des Moines, IA 50309-2036. Comments will be accepted through August 1, 2011.

The proposed amendment will become effective only upon approval by the Article III United States District Judges of the districts. The planned effective date of the amendment is September 1, 2011.

	PLAN FOR THE COMPOSITION, ADMINISTRATION, AND MANAGEMENT OF THE PANEL OF PRIVATE ATTORNEYS UNDER THE CRIMINAL JUSTICE ACT	10

**UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF IOWA
AMENDED AND SUBSTITUTED CRIMINAL JUSTICE ACT PLAN**

I. AUTHORITY

Under the Criminal Justice Act of 1964, as amended, 18 U.S.C. § 3006A (CJA), and the *Guide to Judiciary Policy*, Volume 7A, *Guidelines for Administering the CJA and Related Statutes* (*CJA Guidelines*), the judges of the United States District Court for the Northern District of Iowa adopt this Plan for furnishing representation in federal court for any person financially unable to obtain adequate representation in accordance with the CJA.

II. STATEMENT OF POLICY

A. Objectives.

1. The objective of this Plan is to attain the ideal of equality before the law for all persons. Therefore, this Plan will be administered so that those accused of crime, or otherwise eligible for services under the CJA, will not be deprived, because they are financially unable to pay for adequate representation, of any element of representation necessary to an adequate defense.
2. The further objective of this Plan is to particularize the requirements of the CJA, the USA Patriot Improvement and Reauthorization Act of 2005 (recodified at 18 U.S.C. § 3599), and the *CJA Guidelines* in a way that meets the needs of this district.

B. Compliance.

1. The court, its clerk, the federal public defender organization, and private attorneys appointed under the CJA must comply with the *CJA Guidelines* approved by the Judicial Conference of the United States and/or its Committee on Defender Services and with this Plan.
2. Each private attorney will be provided by the federal public defender organization with a then-current copy of this Plan upon the attorney's first appointment under the CJA or designation as a member of the panel of private attorneys under the CJA (CJA Panel). The federal

public defender will maintain a current copy of the *CJA Guidelines* for the use of members of the CJA Panel and will make known to such attorneys its availability.

III. DEFINITIONS

A. Representation

“Representation” includes counsel and investigative, expert, and other services.

B. Appointed Attorney

“Appointed attorney” includes private attorneys, the federal public defender, and staff attorneys of the federal public defender organization.

IV. PROVISION OF REPRESENTATION

A. Circumstance.

- 1. Mandatory.** Representation **must** be provided for any financially eligible person who:
 - a. is charged with a felony or with a Class A misdemeanor;
 - b. is a juvenile alleged to have committed an act of juvenile delinquency as defined in 18 U.S.C. § 5031;
 - c. is charged with a violation of probation, or faces a change of a term or condition of probation (unless the modification sought is favorable to the probationer and the government has not objected to the proposed change);
 - d. is under arrest, when such representation is required by law;
 - e. is entitled to appointment of counsel in parole proceedings (*see CJA Guidelines*, § 210.20.10(e));
 - f. is charged with a violation of supervised release or faces modification, reduction, or enlargement of a condition, or extension or revocation of a term of supervised release;
 - g. is subject to a mental condition hearing under 18 U.S.C. § 4241, *et seq.*;
 - h. is in custody as a material witness;

- i. is seeking to set aside or vacate a death sentence under 28 U.S.C. § 2254 or 28 U.S.C. § 2255;
- j. is entitled to appointment of counsel in verification of consent proceedings in connection with a transfer of an offender to or from the United States for the execution of a penal sentence under 18 U.S.C. § 4109;
- k. is entitled to appointment of counsel under the Sixth Amendment to the Constitution (*see CJA Guidelines*, § 210.20.10(i)); or
- l. faces loss of liberty in a case and federal law requires the appointment of counsel (*see CJA Guidelines*, § 210.20.10(i)).

2. Discretionary. Whenever a judge or United States magistrate judge determines that the interests of justice so require, representation **may** be provided for any financially eligible person who:

- a. is charged with a petty offense (Class B or C misdemeanor, or an infraction) for which a sentence to confinement is authorized;
- b. is seeking relief under 28 U.S.C. § 2241, 28 U.S.C. § 2254, or 28 U.S.C. § 2255 (*see CJA Guidelines*, § 210.20.20(a)(2));
- c. is charged with civil or criminal contempt and faces loss of liberty;
- d. has been called as a witness before a grand jury, a court, Congress, or a federal agency or commission which has the power to compel testimony, and there is reason to believe, either prior to or during testimony, that the witness could be subject to a criminal prosecution, a civil or criminal contempt proceeding, or face loss of liberty;
- e. is proposed by the United States attorney for processing under a pretrial diversion program;
- f. is held for international extradition under 18 U.S.C. § 3181, *et seq.*; or
- g. is a target of a grand jury investigation and has been subpoenaed to appear before the grand jury.

Representation may also be furnished for financially eligible persons in ancillary matters appropriate to the proceedings under subsection (c) of the CJA.

B. Timely Appointment of Counsel.

Counsel must be provided to eligible persons as soon as feasible after they are taken into custody, when they appear before a United States magistrate judge or judge, when they are formally charged or notified of charges if formal charges are sealed, or when a United States magistrate judge or judge otherwise considers appointment of counsel appropriate under this Plan or the CJA, whichever occurs earliest.

C. Number and Qualifications of Counsel.

1. Number. More than one attorney may be appointed in any case determined by the court to be extremely difficult. In a capital case, the following applies:

- a. Federal Capital Prosecutions. Under 18 U.S.C. § 3005, a person charged with a federal capital offense is **entitled** to the appointment of two attorneys, at least one of whom must be learned in the law applicable to capital cases. Under 18 U.S.C. § 3599(a)(1), if necessary for adequate representation, more than two attorneys may be appointed to represent a defendant in such a case.
- b. Habeas Corpus Proceedings. Under 18 U.S.C. § 3599(a)(2), a financially eligible person seeking to vacate or set aside a death sentence in proceedings under 28 U.S.C. § 2254 or 28 U.S.C. § 2255 is **entitled** to appointment of one or more qualified attorneys. Due to the complex, demanding, and protracted nature of death penalty proceedings, judicial officers should consider appointing at least two counsel.

2. Qualifications. Qualifications for appointed counsel will be determined by the court. In capital cases the following also applies:

- a. Appointment of Counsel Prior to Judgment. Under 18 U.S.C. § 3599(b), at least one of the attorneys appointed must have been admitted to practice in the court in which the case will be prosecuted for not less than five years, and must have had not less than three years experience in the actual trial of felony prosecutions in that court. Under 18 U.S.C. § 3005, at least

one of the attorneys appointed must be knowledgeable in the law applicable to capital cases.

Under 18 U.S.C. § 3005, in appointing counsel in federal capital prosecutions, the court will consider the recommendation of the federal public defender.

- b. **Appointment of Counsel After Judgment.** Under 18 U.S.C. § 3599(c), at least one of the attorneys appointed must have been admitted to practice in the court of appeals for not less than five years and must have had not less than three years experience in the handling of appeals in felony cases in that court.
- c. **Attorney Qualification Waiver.** Under 18 U.S.C. § 3599(d), the presiding judicial officer, for good cause, may appoint an attorney who may not qualify under 18 U.S.C. § 3599(b) or (c), but who has the background, knowledge, and experience necessary to represent the defendant properly in a capital case, giving due consideration to the seriousness of the possible penalty and the unique and complex nature of the litigation.

D. Eligibility for Representation.

- 1. **Factfinding.** The determination of eligibility for representation under the CJA is a judicial function to be performed by a federal judge or United States magistrate judge after making appropriate inquiries concerning the person's financial condition.
- 2. **Disclosure of Change in Eligibility.** If, at any time after appointment, counsel obtains information that a client is financially able to make payment, in whole or in part, for legal or other services in connection with his or her representation and the source of the attorney's information is not protected as a privileged communication, counsel will advise the court.

V. FEDERAL PUBLIC DEFENDER ORGANIZATION

A. Establishment.

1. The federal public defender organization of the Northern District of Iowa, previously established in this district under the provisions of the CJA, is hereby recognized as the federal public defender organization for this district.
2. The federal public defender organization will be capable of providing legal services throughout the district and will maintain offices in Cedar Rapids and Sioux City, Iowa.

B. Supervision of Federal Public Defender Organization. The federal public defender will be responsible for the supervision and management of the federal public defender organization. Accordingly, the federal public defender will be appointed in all cases assigned to that organization for subsequent assignment to staff attorneys at the discretion of the federal public defender.

C. Management of CJA Panel. The federal public defender will be responsible for the systematic distribution of cases to and for the management of the CJA Panel subject to the provisions of the Plan for the Composition, Administration, and Management of the Panel of Private Attorneys under the Criminal Justice Act, found at Appendix I of this Plan.

VI. PRIVATE ATTORNEYS

A. Establishment of CJA Panel. The existing, previously established CJA Panel who are eligible and willing to be appointed to provide representation under the CJA is hereby recognized.

B. Organization. The Plan for the Composition, Administration, and Management of the Panel of Private Attorneys under the Criminal Justice Act is found at Appendix I of this Plan.

C. Ratio of Appointments. Where practical and cost effective, private attorneys from the CJA Panel will be appointed in a substantial proportion of the cases in which the accused is determined to be financially eligible for representation under the CJA. “Substantial” will usually be defined as

approximately 25 % of the appointments under the CJA annually throughout the district.

VII. DUTIES OF APPOINTED COUNSEL

- A. Standards.** The services to be rendered a person represented by appointed counsel will be commensurate with those rendered if counsel were privately employed by the person.
- B. Professional Conduct.** Attorneys appointed under the CJA must conform to the highest standards of professional conduct, including, but not limited to, the provisions of the Iowa Rules of Professional Conduct.
- C. No Receipt of Other Payment.** Appointed counsel may not require, request, or accept any payment or promise of payment or any other valuable consideration for representation under the appointment, unless such payment is approved by order of the court.
- D. Continuing Representation.** Once counsel is appointed under the CJA, counsel will continue the representation until the matter, including appeals or review by certiorari (as governed by the circuit CJA plan provisions concerning representation on appeal), is closed; until substitute counsel has filed a notice of appearance; until an order has been entered allowing or requiring the person represented to proceed *pro se*; or until the appointment is terminated by court order.

VIII. DUTIES OF LAW ENFORCEMENT AND RELATED AGENCIES

- A. Presentation of Accused for Appointment of Counsel.** Federal law enforcement and prosecutorial agencies, probation officers, and pretrial services officers in this district, and those acting on their behalf, must promptly ask any person who is in custody, or who otherwise may be entitled to counsel under the CJA, whether he or she is financially able to secure representation, and must, in such cases in which the person indicates that he or she is not able, notify the federal public defender who will discuss with the person the right to representation and right to appointed counsel, and if appointment of counsel seems likely, assist in the completion of a financial affidavit (Form CJA 23) and arrange to have the person promptly presented before a United States magistrate judge or judge of this court for determination of financial eligibility and appointment of counsel.

- B. Pretrial Services Interview.** A pretrial services officer must conduct an initial interview of a defendant to assist the court in deciding whether a defendant will be released or kept in custody pending trial. The pretrial services officer must advise the defendant of the right to speak with a lawyer before answering questions and must further advise the defendant that, if the defendant cannot afford a lawyer, one will be appointed. The pretrial services officer will only ask those questions necessary to complete the initial pretrial report and will not ask questions concerning the substantive offense or the alleged relevant conduct. This interview may be conducted prior to the appointment of counsel, but the interview must be immediately terminated if the defendant requests to speak with a lawyer at any time during the interview. Relevant information bearing on the defendant's financial eligibility must be reflected on a financial eligibility affidavit (Form CJA 23) which should be filled out by the defendant with the assistance of counsel. After completion, the form must be presented to a United States magistrate judge or judge of this court. Other officers or employees of the court (i.e., clerk, deputy clerk or pretrial services officer) may be designated by the court to verify the facts contained within the affidavit upon which such determination is to be made. Employees of law enforcement agencies or United States attorney's offices must not participate in the completion of the Form CJA 23 or seek to obtain information from a person requesting the appointment of counsel concerning his or her eligibility.
- C. Notice of Indictment or Criminal Information.** Upon the return or unsealing of an indictment, the filing of a criminal information, or the filing of a petition to modify or revoke probation, the United States attorney or the probation officer, as appropriate, must immediately mail or otherwise deliver a copy of the document to appointed counsel, or to the defendant if he is without counsel, at the address shown on defendant's bond papers or to the jail in which the defendant is incarcerated.

IX. MISCELLANEOUS

- A. Forms.** Standard forms, pertaining to the CJA and approved by the Judicial Conference of the United States or its Committee on Defender Services and prescribed and distributed by the Director of the Administrative Office of the United States Courts, must be used, where applicable, in all proceedings under this Plan.

B. Claims. Claims for compensation of private attorneys providing representation under the CJA must be submitted on the appropriate CJA form, to the office of the federal public defender. That office will review the claim form for mathematical and technical accuracy and for conformity with the *CJA Guidelines*, and, if correct, will forward the claim form for the consideration of the appropriate judge or United States magistrate judge. The court will exert its best effort to avoid delays in reviewing payment vouchers and in submitting them for further processing.

C. Supersession. This Plan supersedes all prior CJA Plans of this court.

X. EFFECTIVE DATE

This Plan will become effective when approved by the Judicial Council of the Eighth Circuit.

APPROVED BY THE JUDICIAL COUNCIL OF THE EIGHTH
CIRCUIT ON this _____ day of _____, 2010.

WILLIAM J. RILEY
CHIEF JUDGE, EIGHTH CIRCUIT COURT OF APPEALS

APPENDIX I

PLAN FOR THE COMPOSITION, ADMINISTRATION, AND MANAGEMENT OF THE PANEL OF PRIVATE ATTORNEYS UNDER THE CRIMINAL JUSTICE ACT

I. COMPOSITION OF PANEL OF PRIVATE ATTORNEYS

A. CJA Panels

1. **Approval.** The court will establish two panels of private attorneys (hereinafter referred to as the “Cedar Rapids CJA Panel” and the “Sioux City CJA Panel,” respectively, and “CJA Panels,” collectively) who are eligible and willing to be appointed to provide representation under the Criminal Justice Act. The court will approve attorneys for membership on the Cedar Rapids CJA Panel and the Sioux City CJA Panel after receiving recommendations from the “Panel Selection Committees,” established under paragraph B of this Plan. Members of the CJA Panels will serve at the pleasure of the court.
2. **Size.** The Cedar Rapids CJA Panel and the Sioux City CJA Panel will be large enough to provide a sufficient number of experienced attorneys to handle the CJA caseload, yet small enough so that members of the CJA Panels will receive an adequate number of appointments to maintain their proficiency in federal criminal defense work, and thereby provide a high quality of representation.
3. **Eligibility.** Attorneys who serve on the Cedar Rapids CJA Panel and attorneys who serve on the Sioux City CJA Panel must be members in good standing of the federal bar of this district and must have demonstrated experience in, and knowledge of, the Federal Rules of Criminal Procedure, the Federal Rules of Evidence, and the United States Sentencing Guidelines.

Subsection (b) of the Criminal Justice Act provides, in part, that:

Counsel furnishing representation under the plan shall be selected from a panel of attorneys designated or approved by the court, or from a bar association, legal

aid agency, or defender organization furnishing representation pursuant to the plan.

However, when a United States magistrate judge or judge determines that the appointment of an attorney, who is not a member of the district's CJA Panels, is in the interest of justice, judicial economy or continuity of representation, or there is some other compelling circumstance warranting his or her appointment, the attorney may be admitted to either the Cedar Rapids CJA Panel or Sioux City CJA Panel *pro hac vice* and appointed to represent the CJA defendant. Consideration for preserving the integrity of the panel selection process suggests that such appointments should be made only in exceptional circumstances. Further, the attorney, who may or may not maintain an office in the district, should possess such qualities as would qualify the attorney for admission to the district's Cedar Rapids CJA Panel or Sioux City CJA Panel in the ordinary course of panel selection.

4. ***Equal Opportunity.*** All qualified attorneys will be encouraged to participate in the furnishing of representation in CJA cases, without regard to race, color, religion, sex, sexual orientation, age, national origin, or disabling condition.
5. ***Application.*** Application forms for membership on the CJA Panels will be made available, upon request, by the federal public defender organization. Completed applications will be submitted to the federal public defender organization who will transmit the applications to the chairperson of the Panel Selection Committee.
6. ***Continuing Legal Education.*** The federal public defender will regularly schedule and conduct meetings and programs for attorneys on the CJA Panels. Such meetings and programs will be held at least two times during a calendar year. They will be designed to ensure that attorneys on the CJA Panels are kept current on recent developments in federal criminal law and to present speakers and topics of interest to attorneys who act as appointed counsel under the Criminal Justice Act. Attorneys on the CJA Panels must attend a minimum of six hours of these meetings and programs each calendar year in order to remain a member of the Cedar Rapids CJA Panel or the Sioux City CJA Panel. Attendance at not less than six hours of

other continuing legal education in the area of federal criminal law may, at the discretion of the federal public defender, be substituted for attendance at these meetings and programs.

7. ***Acceptance of Appointments.*** By serving on one of the CJA Panels, an attorney agrees to accept at least three appointments in the district during each calendar year.

B. Panel Selection Committee

1. ***Membership.*** A Panel Selection Committee in Cedar Rapids and a Panel Selection Committee in Sioux City will be established by the court. The Committees will consist of one district judge, one United States magistrate judge, the clerk of court (or his or her designee), the chief United States probation officer (or his or her designee), one attorney who is a member of the Cedar Rapids CJA Panel or one attorney who is a member of the Sioux City CJA Panel, and the federal public defender. The Committees will be chaired by the federal public defender.

2. ***Duties.***

- a. The Panel Selection Committees will meet at least twice a year to consider applications for vacancies on the CJA Panels. The Committees will review the qualifications of applicants and recommend, for approval by the court, those applicants best qualified to fill the vacancies.

At their meetings, the Committees will also discuss the status of current members of the CJA Panels, consider whether any members should be removed from the CJA Panels due to performance issues or for disciplinary reasons, review the operation and administration of the CJA Panels over the preceding year, and recommend to the court any changes deemed necessary or appropriate by the Committees on the appointment process and panel management. The Committees will also inquire annually as to the continued availability and willingness of each panel member to accept appointments. In addition, the Committees will annually furnish information to the court regarding recruitment efforts undertaken by the

Committees in furtherance of the Equal Opportunity statement in paragraph I.A.4 of this Plan.

- b. Removal from a CJA Panel. Membership on a CJA Panel is not a right. A Panel Selection Committee may determine from time to time that, by reason of information received by the Committee, it should remove a member from the CJA Panel or take other remedial action. Grounds for removal from the CJA Panel include, but are not limited to, refusing to accept appointments on a consistent basis, providing inadequate representation, or engaging in improper or unethical conduct. When a Committee receives information that presents a potential reason to remove a panel member, the Committee will address the issue during one of its biannual meetings, or it may instead call a special meeting.

Before disposing of the issue, the Committee may recommend temporary removal of the panel member from any pending cases, or from the CJA Panel, and it may take any other protective action that is in the best interest of a defendant or the administration of the Criminal Justice Act.

The panel member against whom an allegation is made will receive written notice of the allegation, will be given the opportunity to attend the Committee meeting at which the issue will be addressed, and will be permitted to present information, orally or in writing, in his or her own behalf in response to the allegation. A majority vote of the Committee—taken by written, secret ballot—will decide the issue. If the request to remove the panel member has been initiated by a member of the Committee because of that member's own assessment of the panel member's deficiencies in representing defendants, that member of the Committee will not vote on the removal question. The Committee's decision will be communicated in writing to the panel member, with reasons stated for the decision.

A panel member who has been removed from a CJA Panel may file an application to be placed back on the CJA Panel no earlier than one year from the date of removal. In the

application for reinstatement, the attorney must note the earlier removal and explain why he or she should be permitted to return to the CJA Panel.

None of these procedures should be deemed to create a proprietary interest in being on or remaining on the CJA Panel. *See Roth v. King*, 449 F.3d 1272, 1283-86 (D.C. Cir. 2006).

- c. If, at any time during the course of a year, the number of vacancies due to resignation, removal, or death significantly decreases the size of the Cedar Rapids CJA Panel or the Sioux City CJA Panel, the appropriate Committee will solicit applications for the vacancies, convene a special meeting to review the qualifications of the applicants, and select prospective members for recommendation to the court for approval.

II. SELECTION FOR APPOINTMENT

A. Maintenance of List and Distribution of Appointments

The federal public defender will maintain a current list of all attorneys included on each of the CJA Panels, with current office addresses, e-mail addresses, and telephone numbers, as well as a statement of qualifications and experience. The federal public defender will furnish a copy of these lists to each judge and United States magistrate judge in this district. The federal public defender will also maintain a public record of assignments to private counsel, the amount of compensation received by private counsel on each matter, and, when appropriate, statistical data reflecting the proration of appointments between attorneys from the federal public defender organization and private attorneys, according to the formula described in the CJA Plan for this district.

B. Method of Selection

Appointments from the list of private attorneys should be made on a rotational basis, subject to the court's discretion to make exceptions due to the nature and complexity of the case, an attorney's experience, and geographical considerations. This procedure should result in a balanced

distribution of appointments and compensation among the members of the CJA Panels, and quality representation of each CJA defendant.

Upon the determination of a need for the appointment of counsel, the judge or United States magistrate judge will notify the federal public defender of the need for counsel and the nature of the case.

The federal public defender will advise the judge or United States magistrate judge as to the status of distribution of cases, where appropriate, as between the federal public defender and the CJA Panels of private attorneys. If the United States magistrate judge or judge decides to appoint an attorney from the Cedar Rapids CJA Panel or the Sioux City CJA Panel, the federal public defender will determine the name of the next panel member on the list who has handled, or assisted in, a case of equal or greater complexity than the case for which appointment of counsel is required, and who is available for appointment, and will provide the name to the appointing judge or United States magistrate judge.

In the event of an emergency, i.e., weekends, holidays, or other non-working hours of the federal public defender organization, the presiding judge or United States magistrate judge may appoint any attorney from the list. In all cases where panel members are appointed out of sequence, the appointing judge or United States magistrate judge will notify the federal public defender organization as to the name of the attorney appointed and the date of the appointment.

III. COMPENSATION—FILING OF VOUCHERS

Claims for compensation must be submitted, on the appropriate CJA form, to the federal public defender organization. The federal public defender will review the claim form for mathematical and technical accuracy and for conformity with the *Guide to Judiciary Policy*, Volume 7A, *Guidelines for Administering the CJA and Related Statutes*, and, if correct, the federal public defender will forward the claim form for the consideration and action of the presiding judge or United States magistrate judge.

**NOTICE OF PROPOSED AMENDMENTS TO THE
LOCAL RULES OF THE UNITED STATES DISTRICT COURTS
FOR THE NORTHERN AND SOUTHERN DISTRICTS OF IOWA,
TO BE EFFECTIVE DECEMBER 1, 2009**

Date of Notice: August 26, 2009

Notice is hereby given that the Local Rules of the United States District Courts for the Northern and Southern Districts of Iowa will be amended effective **December 1, 2009**. The proposed amended Local Rules, together with a "redline" document showing the proposed changes from the current, January 1, 2008, version of the Local Rules, may be accessed at the courts' web sites, www.iand.uscourts.gov; www.iasd.uscourts.gov.

The proposed amendments were prompted by proposed changes to the Federal Rules of Civil and Criminal Procedure which are scheduled to take effect December 1, 2009. The Federal Rules changes have to do with computing deadlines. They take a "days are days" approach in which every day counts, including weekends and holidays, regardless of the length of the time period, except that a deadline ending on a weekend or a legal holiday is continued to the next day that is not a weekend or legal holiday. Generally, periods less than 30 days will be revised to be multiples of 7 days. Short periods in the current rules, *i.e.*, less than 11 days, will generally be lengthened to offset the change in the computation. Also, the time periods in a few rules will be extended because they were thought to be too short to be practical.

The proposed amendments to the Local Rules conform to the proposed changes to the Federal Rules and include minor related style changes. References to "court days" in the Local Rules will be eliminated. For example, LR 56.d currently requires in summary judgment proceedings that replies to the movant's statement of additional facts be filed "within 5 *court* days." The proposed Local Rule will require replies to be filed "within 7 days." Similarly, the time period for taking appeals from magistrate judge orders in LR 72.1 is modified from "10 *court* days" to "14 days." The practical effect of the changes will be that in most instances the time period will remain about the same or be slightly extended, though not in every case.

No substantive changes to the Local Rules are proposed. The "3-day mailing rule" deadline extension in Federal Rule of Civil Procedure 6(d) will remain applicable to electronically-served documents in both the Federal Rule and Local Rule 6.

The public is invited to review and make comments on the proposed amendments to the Local Rules. Comments should be directed to Chief United States Magistrate Judge Paul A. Zoss of the Northern District, either by email to paul_zoss@iand.uscourts.gov, or by mail to the United States Courthouse, 320 Sixth Street, Room 104, Sioux City, Iowa 51101. Comments will be accepted through **November 10, 2009**.

The proposed amendments will become effective only upon approval by the Article III United States District Judges of the districts. The planned effective date of the amendments is **December 1, 2009**.

FOR THE NORTHERN DISTRICT OF IOWA**

IN THE MATTER OF
THE ELECTRONIC FILING OF
DOCUMENTARY EXHIBITS

**PUBLIC
ADMINISTRATIVE ORDER**

No. 09-AO-03-P

Local Rule 83.6 and Local Criminal Rule 57.3 set forth procedures governing the marking, filing and retention of exhibits in this court. These two local rules, as well as the ECF Procedures Manual (eff. Jan. 1, 2008), *see* 08-AO-0002-P, generally contemplate that documentary exhibits will not be filed electronically or otherwise scanned and uploaded into CM-ECF/PACER.

Recent improvements in technology, as well as expansion of the court's electronic storage capacity, now make it possible to provide the public, bar and court personnel with remote electronic access to documentary exhibits through CM-ECF/PACER. Accordingly, the court **ADOPTS** the following regulations regarding the electronic filing of documentary exhibits:

1. On or before the final pretrial conference in every civil case, the parties must provide the court with electronic copies of all "documentary exhibits"¹ that they intend to use at the trial. Parties to a criminal trial must provide the court with electronic copies of all documentary exhibits offered into evidence within three days following the conclusion of such trial. The parties may provide these "e-exhibits" to the court on an electronic data

¹ A "documentary exhibit" is an exhibit comprised of one or more pages of paper, and with no non-paper content. Demonstrative aids (see LR 83.6.j) are not documentary exhibits for purposes of this administrative order.

storage device, such as a CD or DVD, or may email them to:

e-exhibits@iand.uscourts.gov.

2. Each e-exhibit provided to the court should constitute a separate data file. The file name for each exhibit should reflect the case and exhibit numbers (*e.g.*, 09cv56lrr.exA.pdf, 09cv57mwb.ex4.pdf). If an e-exhibit has multiple pages, those pages should be contained within the same file.

3. When scanning documentary exhibits, parties should use a black-and-white format unless the exhibit is a color photograph or there is another good reason why a color e-exhibit would be needed for the record of the case.

4. Parties should scan documentary exhibits into a .pdf file format using a resolution of 200 dpi x 200 dpi with no individual file to exceed 10 MB.

5. The Clerk of Court will upload and file trial e-exhibits into CM-ECF/PACER as attachments to the minutes of the trial. E-exhibits that are not offered into evidence during the trial will not be uploaded or filed. E-exhibits that are offered but not admitted will be filed in a separate attachment to the minutes as an offer of proof. All trial e-exhibits that are filed are made a part of the public record of the case unless the court specifically orders otherwise.

6. In the event that a documentary exhibit previously provided to the court is altered during the trial, the Clerk of Court will scan, upload and file the altered version into CM-ECF/PACER in lieu of the e-exhibit previously provided to the Clerk of Court electronically.

7. For all hearings at which a party intends to offer a documentary exhibit into evidence other than a trial, the party must directly file the document as an e-exhibit into CM-ECF/PACER. To the greatest extent possible, the party must file the e-exhibit as an attachment to that party's motion, resistance or other filing made in connection with the hearing. Each e-exhibit should be filed as a separate attachment to the motion, resistance or other filing.² E-exhibits must be filed in numeric or alphabetic order. If an exhibit that was not filed as an attachment to the motion, resistance or other filing is offered into evidence at the hearing, within three days following the conclusion of the hearing, the offering party must provide the court with an electronic copy of the exhibit.

8. Each party is responsible for providing the court with electronic copies of all court exhibits it intends to use at a trial just as if such exhibit were one of that party's own exhibits. For example, a party is responsible for providing the court with an electronic copy of the transcript of a deposition if the party wishes to have the deposition read into the record of the case. Court exhibits will be filed in a separate attachment to the minutes. Court exhibits are part of the formal record of the case but are not provided to the jury.

9. The Clerk of Court will retain the paper copies of all documentary exhibits introduced during trials and other hearings in the normal course. Paper copies of exhibits will be destroyed only after the case becomes final and a notice of destruction of exhibits is given pursuant to LR 83.6.g or LCrR 57.3.f.

10. This administrative order supersedes any provision to the contrary in the Local

² Letters of support from the family and friends of criminal defendants may be bundled and filed as a single e-exhibit. The individual letters must be separately identified within the e-exhibit. (*e.g.*, Letter A-1, Letter A-2, *etc.*)

Rules. A presiding judge may alter any of the above guidelines in a given case as appropriate, via either standing order, trial management order or *ad hoc* order.

11. The court's ordinary rules governing the sealing of documents and the redaction of personal information apply with equal force to all e-exhibits.

IT IS SO ORDERED.

No. 09-AO-0002-P

In civil cases filed in this District, lawyers who are not admitted to the bar of this District must be admitted Pro Hac Vice in each case in which the attorney appears, and pay the Pro Hac Vice fee for each such admission, (other than government lawyers from whom no fee is due). However, the fee is waived for a lawyer who has previously appeared for the same client and paid a Pro Hac Vice fee, and then, while the case is pending, the lawyer appears for the same client in another case. IN THE MATTER OF
GUIDELINE SENTENCING
PROCEDURES

**PUBLIC
ADMINISTRATIVE ORDER**

No. 08-AO- 13 -P

(Supersedes N.D. Order No. 1241 filed
12/5/94)

1. This order governs procedures for imposing sentences.
2. The sentencing hearing shall be scheduled no earlier than eighty (80) calendar days following entry of a plea of guilty or nolo contendere, or verdict of guilty.
3. Within two (2) working days following entry of plea of guilty or nolo contendere, verdict of guilty, or the filing of a written waiver by the defendant of Fed. R. Crim. P. 32(e)(1), counsel for the defendant shall notify the U.S. Probation Office of counsel's desire to attend any interview of the defendant conducted by a probation officer in the course of a presentence investigation. The initial interview with the defendant by the probation officer shall occur no later than five (5) calendar days after the determination of guilt or the filing of a written waiver by the defendant of Fed. R. Crim. P. 32(e)(1). Extensions may be granted if counsel for the defendant or the probation officer can show good cause. Subsequent interviews shall occur within reasonable time frames.
4. Within fourteen (14) calendar days following the acceptance of a plea of guilty or nolo contendere, or verdict of guilty, or the filing of a written waiver by the defendant of Fed. R. Crim. P. 32(e)(1), counsel for the United States shall provide and counsel for the defendant may provide to the probation office and serve upon opposing

counsel a written statement, consisting of consecutively numbered paragraphs, of the defendant's offense conduct in the case, including a synopsis of all proof which the party relies upon in its calculation of the applicable guideline range, including the proof it has bearing upon specific offense characteristics and adjustment criteria. If counsel for a party later becomes aware of further relevant information not known at the time of the initial written statement, such information shall be provided immediately to the probation office and opposing counsel in a supplement to the original statement.

5. (a) The Presentence Investigation Report (PSIR) required by Fed. R. Crim. P. 32(d) shall be completed and disclosed to the parties not less than thirty-five (35) calendar days before the date set for sentencing. Disclosure of the initial PSIR to counsel for the defendant shall mean the PSIR has been furnished to the defendant for purposes of Fed. R. Crim. P. 32(e)(2). Within fourteen (14) calendar days after the PSIR's disclosure, counsel shall communicate to the probation officer in writing, with a copy served on opposing counsel, any objections counsel may have to any material facts, information, sentencing classifications, sentencing guideline ranges, and policy statements contained in or omitted from the PSIR. If counsel has no such objections, counsel shall file a statement of the same within fourteen (14) days after the initial disclosure of the PSIR.

(b) After receiving counsels' responses to the initial PSIR, the probation officer shall conduct any further investigation the officer deems necessary and may make revisions to the PSIR. In order to resolve the objections raised by counsel, the officer may meet with the defendant, the defendant's counsel, and the attorney for the United States to discuss those objections.

(c) Not later than seven (7) calendar days prior to the sentencing date, the probation officer shall submit the final PSIR to the parties and sentencing judge. Disclosure of the final PSIR to counsel for the defendant shall mean the final presentence

report has been furnished to the defendant for purposes of Fed. R. Crim. P. 32(g). If there are remaining unresolved objections to the PSIR from either side, the PSIR shall be accompanied by an addendum setting forth any unresolved objections, the grounds for those objections, and the probation officer's comments on the objections. The probation officer shall certify that the contents of the PSIR, including any revisions to it, have been disclosed to the defendant and to counsel for the defendant and the United States, that the content of any addendum has been disclosed to counsel, and that the addendum fairly states any remaining unresolved objections. The probation officer shall provide the sentencing judge an estimate as to the length of the sentencing hearing.

(d) Except for any objection made under subparagraph (a) above that has not been resolved, the PSIR submitted to the sentencing judge may be accepted as the sentencing judge's findings of fact and guidelines determinations. The Court may, however, for good cause shown, allow a new objection to be raised at any time before the imposition of sentence. Any such new objection shall be filed with the Court and served upon opposing counsel, with a copy sent to the probation office, as soon as the objection becomes known.

(e) The time limits set forth in this order may be modified by the Court for good cause shown except that the PSIR must be disclosed at least seven (7) calendar days before the sentencing date unless this minimum period is waived by the defendant.

(f) Nothing in this order requires the disclosure of any portions of the PSIR that are not disclosable under Fed. R. Crim. P. 32.

(g) The probation office shall not disclose the confidential sentencing recommendation which is provided to the Court along with the final version of the PSIR.

(h) For the purpose of this order a PSIR is deemed to have been disclosed (1) when a copy of it is physically delivered; (2) one day after the PSIR's availability for

inspection is orally communicated; or (3) three days after a copy of it or notice of its availability is mailed.

**UNITED STATES DISTRICT COURT

SPEEDY TRIAL PLAN
(Amending AO 800, filed July 1, 1980)

Effective: July 1, 2008

Pursuant to the requirements of the Speedy Trial Act of 1974, Pub. L. No. 93-619, and the Speedy Trial Amendments Act of 1979, Pub. L. No. 96-43, 93 Stat. 327 (codified as amended at 18 U.S.C. § 3161 *et seq.*); the Juvenile and Delinquency Prevention Act of 1974, Pub. L. No. 93-415, 88 Stat. 1109 (codified as amended at 18 U.S.C. § 5031 *et seq.*) ("JDP A"); and Federal Rule of Criminal Procedure 50, the United States District Court for the Northern District of Iowa adopts the following plan to minimize undue delay and to further the prompt disposition of criminal cases and certain juvenile proceedings.

I. Applicability

- (A) Offenses. The time limits set forth herein are applicable to all criminal offenses triable in this court, including cases triable by United States Magistrate Judges, except for petty offenses as defined in 18 U.S.C. § 19. They are not applicable to proceedings under the JDP A, except as specifically provided.
- (B) Persons. The time limits are applicable to accused persons who have been arrested or served with a summons but not indicted, as well as those who have been indicted or informed against, and the word "defendant" includes such persons unless the context indicates otherwise.

II. Priorities in Scheduling Criminal Cases

Preference will be given to criminal proceedings as far as practicable, as required by Rule 50. The trial of defendants in custody solely because they are awaiting trial will be given preference over other criminal cases.

III. Time Within Which an Indictment or Information Must be Filed

- (A) Time Limits. If an individual is arrested or served with a summons and the complaint charges a federal offense to be prosecuted in this court, any indictment or information subsequently filed in connection with such charge must be filed within 30 days of the arrest or service of summons. 18 U.S.C. § 3161(b).
- (B) Grand Jury Not in Session. If a defendant is charged with a felony to be prosecuted in this district, and no grand jury has been in session during the 30-day period prescribed in subsection (a), such period will be extended an additional 30 days. 18 U.S.C. § 3161(b).
- (C) Measurement of Time Periods.
 - (1) If a person has not been arrested or served with a summons on a federal charge, an arrest on a federal charge will be deemed to have been made at the earliest of such time as the person (i) is held in custody solely for the purpose of responding to a federal charge; (ii) is delivered to the custody of a federal official in connection with a federal charge; or (iii) appears before a judicial officer in response to a federal charge.
 - (2) At the time of the earliest appearance of a person who has been arrested for an offense not charged in an indictment or information, the federal judicial officer before whom such appearance is made must establish for the record the date on which the arrest took place.
 - (3) In the absence of a showing to the contrary, a warrant or summons will be considered to have been served on the date of service shown on the return.

IV. Pre-Indictment Rulings on Excludable Time and Continuances

- (A) In the event the United States Attorney anticipates that an indictment or information will not be filed within the time limit set forth in Section III of this Plan, the United States Attorney may file a written

motion under 18 U.S.C. § 3161(h) requesting additional time. The motion must state (i) the period of time proposed for exclusion, (ii) the basis of the proposed exclusion, and (iii) whether or not the defendant is being held in custody on the basis of the complaint. In appropriate circumstances, the motion may include a request that some or all of the supporting material be considered *ex parte* and *in camera*.

- (B) The court may grant a continuance of the time limit for filing an information or indictment under 18 U.S.C. § 3161(h)(8) for either a specific period of time or a period to be determined by reference to an event (such as recovery from illness) not within the control of the government. If the continuance is to a date not certain, the court will require one or both parties to inform the court promptly when and if the circumstances that justify the continuance no longer exist. In addition, the court will require one or both parties to file periodic reports bearing on the continued existence of such circumstances.

V. Time Within Which Pretrial Motions Must be Filed

All pretrial motions must be filed in accordance with the Standing Order issued by the court following the arraignment.

VI. Time Within Which Trial Must Commence

- (A) Time Limits. The trial of a defendant must commence not later than 70 days after the last to occur of the following dates:
- (1) The date on which an indictment or information is filed in this district;
 - (2) The date on which a sealed indictment or information is made available to the public; or
 - (3) The date of the defendant's first appearance before a judicial officer of this district.
- (B) Retrial and Trial After Reinstatement of an Indictment or Information. The retrial of a defendant must commence within 70

days from the date the order occasioning the retrial becomes final. The trial of a defendant upon an indictment or information dismissed by a trial court and reinstated following an appeal must commence within 70 days from the date the mandate is filed. If the retrial or trial follows an appeal or collateral attack, the court may extend the period, if unavailability of witnesses or other factors resulting from the passage of time make trial within 70 days impractical. The extended period must not exceed 180 days. 18 U.S.C. § 3161(d)(2), (e).

- (C) Withdrawal of Plea. If a defendant enters a plea of guilty or *nolo contendere* to any or all charges in an indictment or information and subsequently is permitted to withdraw the plea, the time limit will be determined for all counts as if the indictment or information were filed on the day the order permitting withdrawal of the plea became final.
- (D) Superseding Charges. If, after an indictment or information has been filed, a complaint, indictment, or information is filed which charges the defendant with the same offense or with an offense required to be joined with that offense, the time limit applicable to the subsequent charge will be determined as follows:
 - (1) If the original indictment or information was dismissed on motion of the defendant before the filing of the subsequent charge, the time limit must be determined without regard to the existence of the original charge.
 - (2) If the original indictment or information was dismissed on motion of the United States Attorney before the filing of the subsequent charge, the trial must commence within the time limit for commencement of trial on the original indictment or information, but the period during which the defendant was not under charges must be excluded from the computation. Such period is the period between the dismissal of the original indictment or information and the date the time would have commenced to run on the subsequent charge had there been no previous charge.

- (3) If the original indictment or information is pending at the time the subsequent charge is filed, the trial must commence within the time limit for commencement of trial on the original indictment or information unless the court grants a motion for continuance.
- (4) If the subsequent charge is by complaint, the formal time limit within which an indictment or information must be obtained on the charge will be determined without regard to the existence of the original indictment or information, but earlier action may in fact be required if the time limit for commencement of trial is to be satisfied.

(E) Measurement of Time Periods. For the purposes of this section:

- (1) If a defendant consents to be tried before a magistrate judge and no indictment or information charging the offense has been filed, the time limit must run from the date of such consent. Said consent must be in writing.
- (2) In the event of a transfer to this district under Fed. R. Crim. P. 20, the indictment or information will be deemed filed in this district when the papers in the proceeding or certified copies thereof are filed by the clerk.
- (3) A trial in a jury case will be deemed to commence at the beginning of voir dire.
- (4) A trial in a non-jury case will be deemed to commence on the day the case is called, provided that some step in the trial procedure immediately follows.

(F) Meeting the Scheduled Trial Date.

- (1) In General. Individual calendars will be managed so that it will be reasonably anticipated that every criminal case set for trial will commence on the date of original

setting. A conflict in schedules of trial counsel may be grounds for a continuance when a timely motion is filed with, and approved by, the court.

- (2) Transfer of Cases for Trial. If it appears that compliance with the time limit before the judge to whom the case is assigned will not be possible, the assigned judge may make arrangement for transfer of the case to another member of the court for purposes of trial.

VII. Minimum Period for Defense Preparation

Unless the defendant consents in writing to the contrary, the trial must not commence earlier than 30 days from the date on which counsel first enters an appearance or on which the defendant expressly waives counsel and elects to proceed *pro se*. 18 U.S.C. § 3161(c)(2). In circumstances in which the 70-day time limit for commencing trial on a charge in an indictment or information is determined by reference to an earlier indictment or information pursuant to Section VI (D) of this Plan, the 30-day minimum period will also be determined by reference to the earlier indictment or information. When prosecution is resumed on an original indictment or information following a mistrial, appeal, or withdrawal of guilty plea, a new 30-day minimum period will not begin to run. In all cases, the court will schedule trials so as to permit defense counsel adequate preparation time in light of all the circumstances.

VIII. Special Time Limits Applicable to Juvenile Proceedings

- (A) Time Within Which Adjudication Must Commence. An alleged delinquent who is in detention pending adjudication must be adjudicated within 30 days of the date on which such detention began or was commenced, as provided in 18 U.S.C. § 5036.
- (B) Time of Dispositional Hearing. If a juvenile is adjudicated delinquent, a separate dispositional hearing must be held no later than 20 court days after adjudication, unless the court has ordered further study of the juvenile in accordance with 18 U.S.C. § 5037(a) and (e).

IX. Time Within Which Defendant Should be Sentenced

- (A) Time Limit. Sentencing will be held no earlier than 70 days and, ordinarily, no later than 90 days after the date of conviction. Unless otherwise ordered by the court or waived by defendant, the probation office must disclose the presentence investigation report (PSI) to counsel for the government and counsel for the defendant at least 35 days before sentencing. Any objections to the information contained in the PSI must be made in writing within 14 days after receiving the report. The final revised PSI and addendum must be submitted to the sentencing judge and parties at least 7 days prior to the scheduled sentencing hearing. A presentence investigation may be commenced prior to a plea of guilty or *nolo contendere* or a conviction, upon written consent of the defendant and counsel.

X. Exclusion of Time from Computations in General; Continuances

- (A) Applicability. In computing any time limit applicable to calculating the time in which pretrial motions must be filed (Section V), time limits applicable to juvenile proceedings (Section VIII), or time in which a defendant must be sentenced (Section IX), the periods of delay set forth in 18 U.S.C. 3161(h) must be excluded. Such periods of delay will not be excluded in computing the minimum period for commencement of trial under Section VII of this Plan.
- (B) Records of Excludable Time. The Clerk of Court must enter on the docket, in the form prescribed by the Administrative Office of the United States Courts, information with respect to excludable periods of time for each criminal defendant.
- (C) Continuances.
- (1) Findings. If it is determined that a continuance is justified, the court will set forth its findings in the record, either orally or in writing. If the continuance is granted under 18 U.S.C. § 3161(h)(8), the court will also set forth its reasons for finding that the ends of justice served by granting the continuance outweigh the best interests of the public and the defendant in a

speedy trial.

- (2) Length. The court may grant a continuance under 18 U.S.C. § 3161(h)(8) for either a specific period of time or a period to be determined by reference to an event (such as recovery from illness) not within the control of the government.
- (3) Reports from the Parties. If the continuance is to a date not certain, the court will require one or both parties to inform the court promptly when and if the circumstances that justify the continuance no longer exist.

XI. Monitoring Compliance With Time Limits

- (A) Responsibilities of the Clerk of Court. The Clerk of Court must:
 - (1) Maintain and compile such statistical data as is required to be maintained by statute and by the Administrative Office of the United States Courts.
 - (2) Monitor, on a continuing basis, the progress of each defendant toward trial and review the status of each defendant so as to anticipate problems which may be developing and make recommendations to the court for reassignment of cases for trial.
- (B) Responsibility of the United States Marshal. The Marshal must promptly notify the court of the arrest of a defendant upon a warrant issued by another district.
- (C) Responsibility of the United States Attorney. The United States Attorney must notify the court at the earliest practicable time of the date of the beginning of custody of a defendant held in custody solely for the purpose of awaiting trial.

XII. Persons Serving Terms of Imprisonment

If the United States Attorney knows that a person charged with an offense is serving a term of imprisonment in any penal institution, the United States Attorney must promptly seek to obtain the presence of the prisoner for trial, or cause a detainer to be filed in accordance with 18 U.S.C. § 3161(j).

XIII. Sanctions

- (A) **Dismissal or Release from Custody.** Failure to comply with the Speedy Trial Act may result in dismissal of the charges or release of the defendant from pretrial custody. 18 U.S.C. § 3162. Nothing in this Plan may be construed to require that a case be dismissed or a defendant be released from custody beyond the circumstances set forth in 18 U.S.C. §§ 3162 and 3164. The court retains the power to dismiss a case for unnecessary delay pursuant to Federal Rule of Criminal Procedure 48(b) or pursuant to the Interstate Agreement on Detainers, 18 U.S.C. App'x 2, Pub. L. No. 91-538, 84 Stat. 1397.
- (B) **Discipline of Attorneys.** In a case in which counsel (1) knowingly allows the case to be set for trial without disclosing the fact that a necessary witness would be unavailable for trial, (2) files a motion solely for the purpose of delay which counsel knows is frivolous and without merit, (3) makes a statement for the purpose of obtaining a continuance which counsel knows to be false and which is material to the granting of the continuance, or (4) otherwise willfully fails to proceed to trial without justification consistent with 18 U.S.C. § 3161, the court may punish such counsel as provided in 18 U.S.C. § 3162(b) and (c).
- (C) **Alleged Juvenile Delinquents.** An alleged delinquent in custody whose adjudication has not commenced within the time limit set forth in 18 U.S.C. § 5036 will be entitled to dismissal of the case pursuant to that section unless the government shows that the delay was consented to or caused by the juvenile or defense counsel, or would be in the interest of justice in the particular case.

XIV. Statistical Reporting

Information and statistics concerning the administration of criminal justice in the district are dynamic in nature and can be captured at any instant most effectively using the reporting function of the district's case management/electronic case filing system. The clerk shall provide upon request all statistics concerning the administration of criminal justice as set forth in 18 U.S.C. § 3166(c).

XV. Improvements in Administration of Justice

If the district identifies rules changes, statutory amendments, or appropriations needed to effectuate further improvements in the administration of justice under this Plan, the district will file a report listing said recommendations with the Eighth Circuit Judicial Council. 18 U.S.C. § 3166(d). If the district identifies reporting forms, procedures, or time requirements needed to effectuate further improvements in the administration of justice under this Plan, the district will file a report listing said recommendations with the Administrative Office of the United States Courts. 18 U.S.C. § 3166(e).

IN THE MATTER OF
THE ELECTRONIC FILING OF
TRANSCRIPTS

**PUBLIC
ADMINISTRATIVE ORDER**

No. 08-AO-0009-P

At its September 2007 session, the Judicial Conference of the United States (“Judicial Conference”) approved a new policy (“Policy”) to make electronic transcripts of court proceedings available to the public. In relevant part, the policy provides:

- a. A transcript provided to a court by a court reporter or transcriber will be available at the office of the clerk of court for inspection only, for a period of 90 days after it is delivered to the clerk;
- b. During the 90-day period, a copy of the transcript may be obtained from the court reporter or transcriber at the rate established by the Judicial Conference, the transcript will be available within the court for internal use, and an attorney who obtains the transcript from the court reporter or transcriber may obtain remote electronic access to the transcript through the court’s CM/ECF system for purposes of creating hyperlinks to the transcript in court filings and for other purposes; and
- c. After the 90-day period has ended, the filed transcript will be available for inspection and copying in the clerk’s office and for download from the court’s CM/ECF system through the judiciary’s PACER system.

JCUS-SEP 07, pp. 12.

The United States District Court for the Northern District of Iowa (“Court”) will adhere to the Policy in a manner consistent with the Judicial Conference’s written guidance

and the privacy provisions of the E-Government Act of 2002, Pub. L. 107-347, 116 Stat. 2899 (Dec. 17, 2002), Federal Rule of Civil Procedure 5.2, Federal Rule of Criminal Procedure 49.1, Local Rule 10.h, and Local Criminal Rule 7.1. Accordingly, the Court adopts the following specific procedures for electronic transcripts:

1. The Clerk of Court will create an email address for the receipt of electronic transcripts of court proceedings, and will inform court reporters of this address.
2. After completing a transcript of a court proceeding, the court reporter must promptly email an unredacted electronic copy of the transcript to the Clerk of Court in ".pdf" format.
3. The Clerk of Court will file the unredacted electronic transcript through the Court's Case Management/Electronic Case Files ("CM/ECF") system.¹ The Clerk of Court will not immediately make the electronic transcript available for general, remote public access through CM/ECF, but for 90 calendar days after the filing of the unredacted electronic transcript in CM/ECF ("the 90-day period"), the Clerk of Court will ensure that access to the electronic transcript is available only to the following four categories of individuals: (a) court employees; (b) members of the public at public terminals in the offices of the Clerk of Court; (c) persons or entities that have purchased the transcript from the court reporter; and (d) other persons or entities as directed by the court.
4. During the 90-day period, members of the public who have not purchased the transcript from the court reporter may inspect the electronic transcript at public terminals in the offices of the Clerk of Court, but they may not copy or print the transcript.

¹ The Clerk of Court will file electronic transcripts of sealed court proceedings in accordance with the standard procedures for filing sealed documents.

5. The Clerk of Court will notify the parties of the filing of the unredacted electronic transcript in the normal course,² and will attach a copy of this Administrative Order to the notification.
6. If the transcript contains any of the following personal identifiers—(a) a Social Security number; (b) a financial account number; (c) the name of a minor child; (d) a date of birth; or (e) in a criminal case, an individual's home address (collectively, "the listed personal identifiers")—the parties must, within 21 calendar days of the filing of the unredacted electronic transcript, serve and file a request for redaction ("Request for Redaction") requesting that the personal identifiers be redacted from the transcript. In a Request for Redaction, the parties may request redaction only of the listed personal identifiers. A party filing a Request for Redaction must immediately send a copy of the Request to the court reporter.
7. If a party wants the court reporter to redact other information from the transcript, the party must, within 21 calendar days of the filing of the unredacted electronic transcript, serve and file a motion asking that the redactions be made to the transcript ("Motion for Redaction"). A party filing a Motion for Redaction must immediately send a copy of the Motion to the court reporter. If a Motion for Redaction is filed, the Clerk of Court will not release the electronic transcript for general, remote public access through CM/ECF until the Court has ruled upon the motion, even if the 90-day period has expired. When the Court rules upon a Motion for Redaction, the Clerk of Court will send a copy of the ruling to the court reporter.
8. A party filing a Request for Redaction or a Motion for Redaction must specify, by page and line number, the specific portions of the electronic transcript the party

² For example, the Clerk of Court will transmit a notice to the parties via the Notice of Electronic Filing through CM/ECF, unless the parties are not registered for CM/ECF, in which case manual notice will be provided.

wants redacted, and also must indicate precisely how such portions of the electronic transcript should be redacted.³

9. Within (a) 31 calendar days after the filing of the unredacted electronic transcript, or (b) 10 calendar days after the ruling by the Court on any Motion for Redaction, whichever is later, the court reporter must perform the redactions in any Request for Redaction, and any additional court-ordered redactions, and email a redacted version of the electronic transcript to the Clerk of Court in ".pdf" format. The title page of this redacted electronic transcript must indicate that it is a "REDACTED TRANSCRIPT." At the conclusion of the transcript, the court reporter must insert the following certification: "I certify that the foregoing is a correct copy of the transcript originally filed with the Clerk of Court on [date], incorporating redactions of personal identifiers and any other redactions ordered by the Court, in accordance with Administrative Order [number]."⁴
10. The Clerk of Court will file the redacted electronic transcript as an attachment to the unredacted electronic transcript in CM/ECF. The Clerk of Court will notify the parties of the filing of the redacted transcript in the normal course.
11. After (a) the expiration of the 90-day period, or (b) the filing of a redacted electronic transcript by the Clerk of Court in accordance with paragraph 10, above, whichever is later, the Clerk of Court will make the redacted electronic transcript available for general, remote public access through CM/ECF via PACER, and also

³ For example, if a party wishes to redact the Social Security number 123-45-6789 appearing on page 12, line 9 of a transcript, the party might state: "Redact the Social Security number on page 12, line 9, to read xxx-xx-6789." The Request should not disclose a listed personal identifier.

⁴ The court reporter must ensure that the addition or deletion of text in the redacted electronic transcript preserves the integrity of the lines and page numbers from the unredacted electronic transcript.

will make it available for inspection, copying, and printing at public terminals in offices of the Clerk of Court.

12. After the expiration of the 90-day period, if no party has filed a Request for Redaction or a Motion for Redaction, the Clerk of Court will make the unredacted electronic transcript available for general, remote public access through CM/ECF via PACER.
13. Anyone may purchase a copy of the transcript from the court reporter before it is made available for general, remote public access through CM/ECF via PACER. The Clerk of Court will make the electronic transcript available to the purchaser upon being notified of the purchase by the court reporter.

This Administrative Order applies to all transcripts of proceedings filed on or after May 15, 2008. In accordance with 28 U.S.C. § 753(b), the court reporter must continue to provide certified written transcripts of court proceedings to the Clerk of Court.

Nothing in this Administrative Order is intended to create a private right of action against court reporters, the Clerk of Court, or the Court for any failure to redact required information or for any errors associated with such redaction. Counsel—not court reporters, the Clerk of Court, or the Court—are responsible for redaction of the listed personal identifiers.

Counsel appointed under the Criminal Justice Act may claim compensation, at the applicable rate, for time spent and costs incurred in reviewing unredacted electronic transcripts and in preparing a Notice of Redaction, a Motion for Redaction, and appropriate related motions and responses to motions.

IT IS SO ORDERED.

DATED this 30th day of June, 2008.

SUBJECT: Report on Mandatory Conflict Screening Implementation (INFORMATION)

As you know, the recently adopted Judicial Conference policy on mandatory conflict screening requires circuit councils (and courts not subject to circuit council authority) to report by January 31, 2007, with a preliminary plan for implementation of conflict screening in the circuit (or court). The Judicial Conference Executive Committee has asked the Committee on Codes of Conduct to review these reports and determine whether any further actions should be taken. Consequently, this is to request that the plans be submitted to the Administrative Office's Office of the General Counsel, which staffs the Committee on Codes of Conduct, and not to the Office of Judicial Conference Executive Secretariat. Please note as well that the January 31, 2007, submission date relates to *preliminary* plans. The policy does not require circuit councils (and courts) to have final plans in place by that date.

Please call me or Bob Deyling at 202-502-1100 if you have any questions.

JUDICIAL COUNCIL OF THE EIGHTH CIRCUIT

MANDATORY CONFLICTS SCREENING PLAN

Preface: The Judicial Conference of the United States has adopted a mandatory conflict screening policy requiring courts and judges to implement automated screening. The Judicial Conference policy is to be administered and directed by the circuit councils.

Authority: The Judicial Council of the Eighth Circuit adopts this Plan under the authority set forth in 28 U.S.C. § 332(d)(1) and in accordance with the mandatory financial conflict screening policy adopted on September 19, 2006, by the Judicial Conference.

§ 1. Scope. This Plan applies to the court of appeals, district courts, bankruptcy courts, and bankruptcy appellate panel within the Eighth Circuit, and to each judge of those courts in regular active service, retired under 28 U.S.C. §§ 371(b) or 372(a) and performing duties pursuant to a designation under 28 U.S.C. §§ 291 to 294, or recalled to judicial service. This Plan does not apply to judges retired under 28 U.S.C. §§ 371(b) or 372(a) but not performing duties, or to retired judges eligible for recall but not serving on recall.

§ 2. Definitions. For purposes of this Plan:

(a) "Conflict of interest" means an interest that disqualifies a judge as provided in Canon 3C(1) of the Code of Conduct for United States Judges. "Financial conflict" or "financial conflict of interest" means a financial interest that disqualifies a judge as provided in Canon 3C(1)(c) of the Code of Conduct for United States Judges. "Financial interest" has the meaning set forth in Canon 3C(3)(c) of the Code of Conduct for United States Judges. See also 28 U.S.C. § 455.

(b) "Judge" refers to all judicial officers subject to the Code of Conduct for United States Judges.

§ 3. Court Obligations. Each court in the Eighth Circuit must implement automated screening to identify possible financial conflicts of interest for each judge appointed, designated and assigned, transferred, temporarily assigned, or recalled to serve the court. Courts may use either the screening component of the Case Management/Electronic Case Files (CM/ECF) system or other automated screening approved by the Judicial Council under § 6 of this Plan. In implementing the screening, the clerk's office must:

(a) ensure that the following information is entered into the database used for automated screening: the parties, attorneys, law firms, and corporate parents disclosed by the parties;

(b) at the request of a judge, enter the judge's conflicts list into the database used for automated screening;

(c) take reasonable steps to ensure that attorneys (or parties who are not represented by counsel) provide information needed for conflict screening, including corporate parent statements as required by Fed. R. App. P. 26.1, Fed. R. Bankr. P. 1007(a)(1) and 7007.1, Fed. R. Civ. P. 7.1, and Fed. R. Crim. P. 12.4;

(d) screen cases for conflicts on a regular schedule using automated screening, including new matters when they are assigned (or to be assigned) to a judge or panel, and all pending matters periodically or after each new entry of relevant information;

(e) notify the judge (or designee) when a possible conflict is identified and reassign the case if an investigation reveals a conflict that cannot otherwise be avoided;

(f) remind judges on a regular basis to review and update their conflicts lists and to update the designee who will receive notice of a possible conflict, and notify newly-appointed judges and visiting judges of their obligations under this Plan; and

(g) provide information, training, and assistance to judges and staff to facilitate their participation in automated screening.

§ 4. Obligations of Judges. Each judge has the ultimate responsibility for identifying and avoiding conflicts of interest and should ensure that assigned matters are reviewed for conflicts before action is taken in the matter. Judges are encouraged to use the screening system implemented by the court to which the judge is appointed to identify financial and other conflicts of interest. Judges should:

(a) be continually aware of their personal and fiduciary financial interests, and make a reasonable effort to know about the financial interests of a spouse and minor children residing in the household, as required by Canon 3C(2) of the Code of Conduct for United States Judges; see also 28 U.S.C. § 455(c);

(b) develop a "conflicts list" identifying financial conflicts using the form developed by the clerk of court for automated screening, if any;

(c) update the conflicts list as financial interests change; and

(d) determine promptly whether a conflict exists when notice is provided of a possible conflict and arrange for appropriate action to resolve the conflict (i.e., nonassignment, recusal, divestiture of the interest).

§ 5. Exceptions.

(a) Upon written application, the Judicial Council may except a court from § 3 of this Plan, and should except the judges of that court from § 4 of this Plan, where automated screening through CM/ECF or any other automated screening system is not available.

(b) Upon written application, the Judicial Council may except a judge from § 4 of this Plan where the circumstances indicate that the judge's participation is unnecessary or otherwise is not feasible, including in the following circumstances:

(1) the judge has no case currently assigned and is not receiving new assignments (e.g., due to serious illness); and

(2) the judge files a written certification stating that he or she knows of no financial interest attributable to the judge requiring disqualification as a financial conflict of interest and does not expect to acquire such an interest in the foreseeable future.

(c) In granting an exception, the Judicial Council must specify its duration; an exception under § 5(b)(2) shall not exceed one year but may be renewed for good cause.

§ 6. Adoption of Alternative Screening. A court may notify the Judicial Council in writing that it has adopted an alternative automated screening system other than CM/ECF but should acknowledge that the alternative system may not receive automation support from the Administrative Office. The request shall contain a detailed description of the system. Any alternative system must have the ability to:

- (a) create and store electronically a judge's conflicts list;
- (b) compare entries on a judge's conflicts list to parties, attorneys, law firms, and corporate parents in the court's docket;
- (c) allow for screening on a regularly scheduled basis and on an ad hoc basis; and
- (d) provide notice to a judge (or designee) when a possible conflict is identified.

§ 7. Reporting Obligations.

- (a) Each chief judge must make such reports as are requested by the Judicial Council.
- (b) The Circuit Executive is directed to submit this Mandatory Conflicts Screening Plan to the Judicial Conference by January 31, 2007. The Judicial Council will submit such additional reports as are requested by the Judicial Conference.

§ 8. Confidentiality of Conflicts Lists. Nothing in this Plan shall be construed as requiring a court or judge to disclose the interests listed on a conflicts list to anyone except to the limited extent necessary in the court's implementation of its automated screening.

§ 9. Enforcement. Courts and judges subject to this Plan must comply with its requirements. A judge who violates this Plan may be subject to discipline.

§ 10. Effective Date. This Plan takes effect on February 1, 2007.

Adopted by the Judicial Council of the Eighth Circuit on January 18, 2007.

In The Matter of Authority to
Refund Erroneous or Duplicate
On Line Filing Fee Payments.

)
)

No. 06-AO- 0011-P

ADMINISTRATIVE ORDER

BY D. Satay

In March 2005, the Judicial Conference approved the attached guidance for the refund of fees that are paid electronically. In effect since 1949, the Conference's current policy regarding refunding filing fees has been broadly interpreted to generally prohibit refunds of fees due upon filing, even if a party filed the case in error, or the court dismissed the case or proceeding.

With the advent of electronic filing, difficulties with the application of the refund policy have greatly increased as filing parties can inadvertently make erroneous or duplicate payments on line. The Judicial Conference has endorsed the attached guidance which addresses only limited refund authority by the courts when user errors in electronic payments are made and is intended to assist the courts in the exercise of their discretion in this area. This guidance does not amend the general refund policy.

The Clerk of Court is hereby granted the authority to refund a fee paid by an ECF user when the ECF user has used ECF to pay a fee by credit card, and the fee was paid erroneously in that the payment constituted:

- a. a duplicate fee payment related to the submission of a single document (including a single document erroneously submitted two or more times); or
- b. a fee payment when no fee was due (e.g., when no document was attached to a submission, or the submission did not require payment of a fee).

To obtain a refund, the ECF user must make a written request to the clerk. All such refunds paid by the clerk to the ECF user must be processed through the court's electronic credit card system.

In addition, if an ECF user makes an erroneous filing for which a fee would normally be due, but the fee has not yet been collected, the court delegates to the clerk the authority to correct the erroneous filing administratively and not collect the fee.

In the event a particular attorney or law firm continues to make repeated mistakes when submitting fees and requesting refunds, the Clerk of Court may request that the court issue an order to show cause why further requests for refunds should be considered.

IT IS SO ORDERED.

Guidance Regarding Refunds of Fees Paid Electronically

April 2006

The Judicial Conference has a long-standing policy prohibiting the refund of fees. In a paper environment, this policy has been fairly simple to administer, but questions have greatly increased since the implementation of Case Management/Electronic Case Files (CM/ECF), which encompasses the ability to collect filing fees electronically via credit card. This guidance seeks to assist courts in determining when to exercise their discretion in addressing fees paid electronically.

- Judicial Conference policy generally prohibits the refund of fees; this guidance addresses only limited refund authority by the courts when errors in electronic payments are made.
- A court's procedures for addressing fee refunds in CM/ECF should be developed by the judges of the court in conjunction with their clerk.
- The authority to approve a refund is a judicial determination. This determination may be delegated to the clerk as long as the court's procedures clearly address the type of refund that a clerk can approve.
- Requests for refunds should be made by either motion or application, and procedures governing refunds may be set forth by local rule or standing order.
- If the court discovers an erroneous filing for which a fee has not yet been collected, the court may correct the erroneous filing administratively and not collect the fee.
- Refunds should be processed through the electronic credit card system; courts should not issue refunds through checks.
- In the event that a particular attorney or law firm continues to make repeated mistakes when submitting fees and requesting refunds, the court may consider remedial action, such as issuing an order to show cause why further requests for refunds should be considered.

COURTHOUSE SMOKING POLICY

ADMINISTRATIVE ORDER

Effective March 1, 2006, this Administrative Order supersedes AO 1452.

On August 9, 1997, President Clinton issued Executive Order 13058, which prohibits the smoking of tobacco products in the interior space of buildings under the control of the federal government, and in certain outdoor spaces surrounding such buildings. Although the Executive Order does not apply to the judicial branch of the federal government, the Judges in the Northern District of Iowa are in agreement with the stated purpose of the order, which is "to establish a smoke-free environment for [Judicial] employees and members of the public visiting or using [Federal courthouses]."

THEREFORE, IT IS HEREBY ORDERED, effective March 1, 2006, that the smoking of tobacco products is prohibited in all interior space of courthouses in the Northern District of Iowa, and in all outdoor areas adjacent to such courthouses. This prohibition covers all corridors, restrooms, offices, jury rooms, courtrooms, canteens, witness rooms, conference rooms, exits, entryways, docks, and parking lots, in and adjacent to the courthouses in the Northern District of Iowa.

A basement room within the federal courthouse in Sioux City has been designated as a smoking area for use exclusively by jurors while they are performing jury service. This room is not available for use by anyone else, including court employees.

Court employees are required to observe the general prohibition against smoking in and around the districts' courthouses. Furthermore, they must limit smoking to scheduled mid-day lunch breaks. Any smoking during a lunch break must be off the property limits of the districts' courthouses and away from the areas immediately surrounding the districts' courthouses, including exits, entryways, docks, parking lots, and sidewalks.

Court units are encouraged to make public health information on smoking cessation available to employees who smoke.

POLICY GOVERNING USE
OF PUBLIC SPACES

ADMINISTRATIVE ORDER

United States Courthouses are public buildings owned and operated by the General Services Administration and governed by policies of the U.S. Courts. In the Northern District of Iowa, the principal tenants of these buildings are the United States District Court, the United States Bankruptcy Court for the Northern District of Iowa, and their allied agencies. The buildings housing these Courts are open to the public during regular business hours Monday through Friday, excluding federal holidays. Access to designated non-public areas of the building is restricted to Judicial Officers, employees and other authorized persons.

1. Purpose and Scope: Use of the spaces in the United States Courthouse, by tenants and the public, may not disrupt the operation of the building, interfere with functioning of the Courts or otherwise obstruct the performance of judicial business. This policy shall govern the use of public spaces in the courthouse by building tenants and other persons or groups, in a manner consistent with law, to insure that activities are compatible with the primary function of the Courts.

2. Authority to Approve Requests: Use of the public spaces in United States Courthouses is supervised by a court unit executive committee consisting of the Clerk of Court for the United States District Court and the Chief Probation Officer for the Northern District of Iowa. Recommendations from the court unit committee regarding requests to use public space will be forwarded for approval or disapproval by the resident District Judge, Chief District Judge, or resident Senior District Judge, as appropriate.

3. Criteria for Approval: The court unit executive committee shall evaluate each request for use of the public space based upon such factors as the expected size of the group, the date, time and duration of the requested use; the extent to which the requested use is likely to create a need for additional security measures; whether the requested use is sponsored by an authorized representative of a building tenant; and whether the event plans include catered food and beverages being brought into the courthouse. The committee may in its discretion consider any additional factors deemed relevant to the preservation of decorum, security and safety for all persons having official business in the United States Courthouse. Preference will be given to requests that encourage public use of the accessible areas of the courthouse for cultural and educational activities as defined in the Public Buildings Cooperative Use Act of 1976 (40 U.S.C. § 612a).

4. Prohibited Uses: Prohibited uses of the public spaces include, but are not limited to, the following:

- a. Wedding receptions, birthday parties and other events of a personal nature;
- b. Political events; events of a religious nature;
- c. Commercial activities by an individual, organization or business enterprise designed to promote, sell or advertise the sale of products or services for a profit (excluding spaces leased to tenants for those purposes);
- d. Any event or activity sponsored or promoted by a group or individual who practices or professes discrimination based upon race, color, creed, sex, age, national origin or condition of physical disability.

5. Procedures: Requests for use of public spaces shall be submitted in a detailed letter to the Clerk of Court at least four weeks prior to the proposed date of an event. Incomplete letters or letters lacking required information will not be considered. The requesting party will be notified of the Court's decision not less than two weeks prior to the proposed date of the event. In the discretion of the Court, special conditions and restrictions may be imposed for an approved event, such as prepayment of costs for extra

utilities, cleaning and security attributable to the event. The decision of the Court in these matters will be final.

6. Cancellation of Approval: The Court will instruct the unit executive committee as needed regarding cancellation of planned events in the public space due to a competing need for that space by a building tenant, building closure due to weather, other unanticipated circumstances or in the event of a security emergency. No compensation or damages shall be paid to any person or group whose approval to use public space is canceled.

Representatives of the CJA Panel for the Western Division of the Northern District of Iowa met with the Court on April 6, 2001, to discuss issues of concern to the Panel and to the Court. After receiving input from the Panel members, the Clerk of Court, and the Federal Public Defender, the Court **finds**:

In cases where a Panel attorney withdraws before the case is concluded and is replaced by another Panel attorney, delaying voucher payments to the withdrawing attorney until the conclusion of the case generally constitutes a financial hardship to the withdrawing attorney.

ACCORDINGLY, IT IS ORDERED

Effective upon the signing of this order, the Clerk of Court is directed to process for immediate payment, in accordance with Guide to Judiciary Policies and Procedures Volume VII Appointment of Counsel in Criminal Cases, any voucher submitted by an attorney who previously was appointed to represent a defendant in a criminal action and who has been allowed to withdraw. The Clerk of Court shall keep a copy of any such vouchers in the file and attach them to vouchers subsequently submitted for payment in the same case. When approving
