Weather Plan for Federal Jurors

Because you are presently serving as a juror, and there may be a weather advisory or warning, you need to know whether the Courthouse will be open or closed on the days you are required to report for jury service.

Jurors may get updated information on the Courthouse and trial schedule by calling the automated juror information line at (319) 286-2302 for Cedar Rapids or (712) 233-8912 for Sioux City. You will need to enter your nine-digit participant number. Jurors can also watch the closing and delay announcements on your local television station.

Finally, if you have checked these sources and still have questions, you can call the jury office at (319) 286-2314 for Cedar Rapids or (712) 233-3936 for Sioux City.

Thank you for serving,
